

## Plan Is Presented To Add Facilities At Local Hospital

Future Meeting Scheduled As Expansion Plan Is Developed

An encouraging, but definitely not a conclusive report, came out of a meeting of local and state officials in Sacramento Tuesday relative to an application of the Tahoe Forest Hospital for financial assistance to enlarge facilities here to meet future requirements.

The meeting, in the senate rules committee office of the state capitol, was called by Senator Harold T. Johnson to discuss local hospital expansion plans. In attendance beside Johnson, were Robert G. Webster, chief of the division of administration of the department of public health; John Deary, chief of the bureau of hospitals; Douglas Barrett, representing Governor Goodwin J. Knight; Dr. L. D. Nelson, J. J. McGlade and Asa Abbott, representing the hospital here; Alan Ewen and H. D. Thoreau, officials of the California Olympic organization.

Another meeting will be held in Berkeley Friday with state hospital advisory council members. This session will be followed by another in April when the plans will be offered for formal study. The final decision will be made at a meeting in July when allocations will be announced.

All those present at Tuesday's session voiced approval of the plan presented by McGlade and Dr. Nelson and offered all possible support to have the hospital up to maximum standards as a medical center for the 1960 winter games. However, many matters are to be considered and the local project is given only an outside chance of receiving state and federal aid, McGlade reported.

The presentation Tuesday provided the following:

1. Expansion of the hospital now is needed to meet the rapidly expanding economy so as to provide services to the community on the basis of need.

2. The program should be completed and in operation to meet the challenge of the VIII Winter Olympic Games at Squaw Valley in February, 1960. Because of limited construction seasons, the building program should be started in 1958.

## Man Burned When Fire Guts Dwelling

Joe Curti, 60, well known local man, was seriously burned about the face, hands and arms Friday at noon when fire gutted his home on East River Street.

Curti, who was taken to the Tahoe Forest Hospital and later to the county hospital at Nevada City, told Fire Chief N. F. Dolley he was pouring oil into a stove when the liquid exploded scattering fire in the room. Curti attempted to extinguish the blaze and was burned.

The fire spread into the walls which had been insulated with sawdust and firemen spent hours before it could be completely controlled. The house belonged to Mrs. Bob Sala of Winton.

## HAYWARD BOYS ARE HELD FOR CAR THEFT

Two Hayward boys, aged 15 and 16, were apprehended on Donner grade Sunday by Patrolman Martin Sturckee and held for car theft. Deputy Sheriff Frank Gallino came to Truckee for the suspects Monday.

The boys were attempting to come down the grade without chains when they were stopped and questioned. The car was reported stolen in Sacramento.

## TWO BABY BOYS ARE BORN AT HOSPITAL

Two husky boys arrived at Tahoe Forest Hospital for their respective parents, within the week. Glenn, son of Mr. and Mrs. Jack Busby of Kings Beach was born on January 11, weighing in at 9 pounds, 4 ounces.

Carl Philip was born January 13 to Mr. and Mrs. Jack deRyk of Norden. The baby's arrival weight was 7 pounds, 9 ounces.

## BETTY TRIANO WEDS R. AYALA IN RENO

Friends are extending best wishes to Mr. and Mrs. Ralph Ayala who were married in Reno Saturday, January 11 by Justice of the Peace William Beamer.

Mrs. Ayala was the former Betty Triano and Ayala is a deputy sheriff here. Both are well known and liked by a legion of friends.

Mrs. J. V. Copeland, mother of Mrs. Ayala was a witness at the brief ceremony. The couple presently are residing at Meadow Park. For several years Mrs. Ayala has been employed at Goodfellow's and Smarts.

At Capital—Mr. and Mrs. Louis Euer have left Truckee for their place at Sacramento.

## Wolverines Win 6th Game As Stewart Loses Here 75-42

by JOHN FIRPO

The Stewart Braves became the sixth victim of the Tahoe-Truckee Wolverines last Saturday, as they dropped a 75-42 ball game to the powerful Wolverines on the victor's home court. The Wolverines now have a very impressive six wins one loss record and two wins no loss conference record.

In the first quarter the scoring was very heavy by both teams. The first frame ended 17-17. The Wolverines began to click during the second stanza and pulled ahead 38-28 at the half.

At the end of the third quarter the home-town Wolverines had held their opponents to two points in that quarter and led 58-30. In the fourth quarter the reserves racked up 16 points against the Braves. The Braves could never muster a threat and the game ended 75-42, Wolverine's favor.

Ken Vaughan, ace forward for the Wolverines was high point man for the evening with 20 points. Floyd Cooper trailed Vaughan with 19 points.

In the prelim Coach Wilson's J.V. "Cubs" just couldn't break their losing streak last Saturday as they dropped a decision to the Stewart J.V., 37-25. The "Cubs" led 15-13 at the halftime but couldn't keep the scoring pace set by the Brave's J.V. in the second half. Bob Merica had tallied 10 points towards the "Cub's" cause.

Next week both teams travel to Manogue to play the powerful Manogue Miners in an "A" conference clash. Then Saturday they return home to replay the South Tahoe Vikings in another conference tilt. The Wolverines had defeated the Vikings earlier in the season, 53-33. Both games should prove to be exciting games. Game times are 7 p.m. starting with the preliminary tilts.

## Athletic Club Off On Hoop Schedule

The Truckee Athletic Club started off the basketball season with a bang Tuesday night at the high school gym.

The American Legion walked off with their game with the 20-30 Club, 42 to 36.

The second game was a thriller with Brown's Cafe winning over the Pastime Club, 39 to 35.

Tonight the Marier Marauders meet the 20-30 and the American Legion tackles Brown's. The public is invited to come out and enjoy the fun.

The complete season schedule is still incomplete, but will be announced next week, Pat Andres, club president said.

## CAR CLOUTING GIVES OFFICERS TROUBLE

Car clouting and vandalism are reported frequently in the Donner Summit area, Deputy Sheriff Emery Lander reports.

Robert Martin of Truckee, employed by the Southern Pacific told the deputy that \$250 worth of clothing had been stolen from his car while it was parked on the summit.

William Muller of San Leandro reported that while his car was parked on the summit, vandals ripped all four new tires open, leaving the vehicle stranded.

Hubcaps, articles of clothing and equipment were reported stolen from several cars but the thieves apparently avoided taking skills as none were reported missing.

Lander said suspects are under investigation.

## JITNEY POT-LUCK TO FEATURE STAR MEET

The stated meeting of the Order of the Eastern Star will be held Tuesday, January 21. There will be a jitney pot-luck dinner at 6:30 p.m.

Mae Critchley will be the chairman for the evening. Lillian L. Miller and C. E. Mandeville, the worthy matron and patron will preside.

## FIREMEN PLAN FOR LADIES NIGHT MEET

Truckee Volunteer Fire Department met Tuesday night at Cozzi's where they enjoyed educational films furnished by the state fire marshal. The next meeting will be a ladies' night at Cozzi's February 8th.

JOIN THE MARCH OF DIMES

## Traffic Increases Despite Delays On Road During Year

Truckee Station Second As Port Of Entry During Past Year

Although many sections of U.S. Highway 40 in California were under construction last year and traffic was delayed considerably, there were 34,751 more vehicles checked at the Truckee quarantine station in 1957 than in 1956.

This is according to the annual report from the state department of agriculture which shows a total of 575,019 vehicles, including 520,983 cars, 43,432 trucks and 8604 buses with 1,729,252 passengers were checked here last year.

During 1956 there was a total of 540,268 vehicles including 499,660 cars, 42,371 trucks and 8235 buses checked here. The passenger count was 1,725,058, or 4194 less than for last year.

Only one station, Yermo was ahead of Truckee in volume of traffic entering California last year, the report shows.

Highway 50 showed a gain of 7708 vehicles in the check at Meyers during last year over 1956, when a total of 183,851 vehicles including 179,015 cars, 4623 trucks and 213 buses, with a passenger count of 482,702, was recorded.

That compares to 171,246 cars, 4482 trucks and 215 buses with a passenger total of 466,207 for 1956. Meyers was in eighth place as a point of entry among the border stations.

December Count

Truckee's station showed an increase of more than 4000 vehicles last month compared to December, 1956, when 24,078 cars, 3404 trucks and 649 buses were checked.

The Meyers station showed a gain of more than 2000 over December, 1956, with 7477 cars, 518 trucks and seven buses. Truckee was in fifth place last month while Meyers was in tenth place among the reporting stations.

## RAINBOW GIRLS TO INITIATE AT MEET

Initiation will be held January 27 by the Truckee Chapter, No. 13, Order for Rainbow Girls and planned for at the January 13 meet of the group. Refreshments were served at the close of business.

Lydia Craig was elected as faith and Janice Nottley as treasurer. It was reported that Sandra Farris, Frances Howard and Linda Draney earned \$50 for checking coats at the Shriners' convention held at Crystal Bay Club.

## TWO MEN HELD FOR VALLEY CAR THEFT

TAHOE CITY—Ernest L. Cassidy and Jesse L. Hamilton, both of Kings Beach, have been arrested on grand theft charges and suspicion of burglary. The two were being held in jail at Auburn after being accused of breaking into two automobiles at Squaw Valley and taking approximately \$600 worth of camera equipment, skis and clothing. Officers said they were spotted by Ralph E. Blount of San Mateo, breaking into his car.

## RED CROSS OFFICERS HOLD LOCAL MEET

Board members of the local Red Cross met January 14 when they discussed various matters of business, including the selection, before the February meeting of prospective board members.

Officers present included Mesdames C. W. Sciutto, chairman; Robert Roth, treasurer; Don Schuler, home service secretary; C. Diaz, Fred Pedley; Messrs. Wayne Philippi and Ed Trask, secretary.

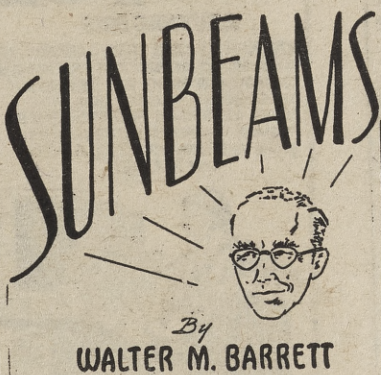

## LEAVES FOR SOUTH AFTER LOCAL VISIT

Miss Carolina Armati who has been visiting her father, A. Armati for the past month, left Sunday for New York where she will visit before going to Florida, enroute to her home in Argentina.

Miss Armati is a school teacher and buyer for a concern in Buenos Aires and last year saw her father for the first time in 32 years.

## LIONS HEAR TALK

George A. Parker of Reno gave an interesting and educational talk on investments when he addressed the Truckee Lions Club last night at Donner Lake Lodge. Richard L. Walker of Truckee was a guest.

The apparent lack of interest in the annual January March of Dimes in this immediate community is surprising and somewhat disappointing. Generally, Truckee and its surrounding area are far out in front in a program of this nature, but for some reason or another this year seems to be different. Because the Salk vaccine has curbed the crippling disease—at least temporarily—is no reason for slackening of interest. There are literally thousands of children all over the country for whom the vaccine was developed too late and without our help and such programs as the March of Dimes these youngsters are destined to spend the rest of their lives in iron lungs, wheel chairs and cumbersome braces. Truckee has been most fortunate in that it has not been cursed with the disease, but it is not like Truckee to isolate itself from the needs of others less fortunate. Let us assure you that the need is vital and that the help of every individual is needed. Let's make our contribution today and make it just as big as we can.

## Tahoe Scouts To Have New Home

TAHOE CITY—The Boy Scout organizations at Tahoe City and vicinity will soon have a brand new meeting place—one of their own.

This came about through the efforts of Scoutmaster Kenneth Marvin over a long period of time, and the cooperation of the Pacific Telephone Company.

When the company moves its maintenance headquarters and equipment into the new quarters late this month, the present quaint building, adjacent to the old exchange at Tahoe City, will be turned over to the Scouts. The building is on land owned by John Flagg and negotiations are being made to continue its occupancy.

The new Boy Scout headquarters is a 1700-square foot structure, full equipped with furnaces, a tile floor, two rest rooms and other essentials.

Marvin and other Scout officials are greatly pleased with their new possession and promise to make full use of it for the benefit of the youths of the community.

## DONNER FIREMEN IN MEET MAKE PLANS

The Donner Lake Volunteer Fire Department held their second meeting of firemen on January 7 at Donner Lake Lodge, where it was announced that the new fire hose has been purchased and mounted on the truck.

At the present time, the fire truck is undergoing some motor repair but will soon be ready for operation. Fire Chief Emery Lander reported the telephone is being installed at the Donner Trading Post to answer fire calls and that the number will be LU 7-3331.

A siren has been ordered and will be installed upon arrival. At intervals groups of the firemen are being trained in the art of modern fire fighting methods.

## MICHAEL BROWN TO HEAD TAHOE GROUP

KINGS BEACH—Michael Brown, representing the Lions Club, has been elected president of the North Tahoe Organizations succeeding Dallas Hughes.

William Bates of the Rotary was elected vice president and Mrs. Kay Felte of the Teacher-Parents Association, was reelected secretary-treasurer.

The board of trustees is made up of Hughes, Gene Faulkner and Otis Wing.

## CAR REGISTRATION DATE

Truckee and Lake Tahoe area motorists will have vehicle registration service for 1958 on a part-time schedule at Truckee starting January 27 and continuing through February 4 at the Truckee office of the department of motor vehicles. Driver licensing service will be resumed on schedule February 3 and 4, the department announced.

## Truckee Business Shows 17 Percent Gain In Five Years

Healthy Gain Reflected In Report By National Firm's Report

With Truckee far in front from a standpoint of gain, Nevada County listed 7 percent more businesses in 1957 than in 1952, according to a report released this week by Dun & Bradstreet.

Grass Valley realized a 2.1 percent increase, Truckee a 17.3 percent increase and Nevada City a 16.7 percent decrease in the number of businesses for the same period.

There were 451 businesses listed this past year in Nevada County which is an increase of 3 businesses over 1952, said R. F. Cathcart, district manager of the San Francisco office of Dnn & Bradstreet.

Basing his facts upon the figures in the current November, 1957, reference book, Cathcart points out that the 47 counties of northern California showed an increase of 2.3 percent for the five year period.

The reference book lists only manufacturers, wholesalers, retailers and some service companies, such as gasoline stations and laundries. It does not include all professional and service businesses such as barbers and beauty shops, real estate and stock brokers.

This month business concerns in all parts of the country will receive requests for their annual financial statements. Requests this year will go to over three million businesses in over 50,000 communities in the United States which are listed in the Dun & Bradstreet Reference Book.

The report includes an analysis of the financial statement, a history of the business, and a description of what the business does and how it pays its bills.

The listing for Nevada County shows that in 1952 Truckee listed 75 businesses compared to 88 in 1957, while Nevada City showed 108 in 1952 and 90 last year. Grass Valley went up from 237 in 1952 to 242 in 1957.

## 174,670 VISITORS AT DONNER LAST YEAR

Donner Memorial State Park had 174,670 visitors last year, according to a report by Park Supervisor Carl Whitefield.

A total of 8,703 registered for camps and 5,009 for picnic tickets. Campers turned away because of lack of accommodations totaled 1,674, the report shows.

Top month for visitors during the year was July when 3,421 registered for camps, 1,737 for picnics, 821 for trailer space and a total of 41,834 visitors were counted. During that month, the ridge camp ground was closed for two weeks for road work.

## MARTIN JOHNSON IS HUNT MISHAP VICTIM

Martin Johnson of Sacramento, a former Truckee and Kingsvale resident, was treated Saturday by a Marysville physician for a gunshot wound suffered while he was rabbit hunting with his son, Martin, Jr., 10 miles west of Gridley.

Johnson said he and the boy were climbing through a fence and the son leaned his gun on the fence to assist his father. The weapon fell and discharged. Twenty pellets were removed from the wounded man's hips and thighs.

## SITES STUDIED FOR NEW JUNIOR COLLEGE

Five sites for the proposed Sierra Junior College plant are under further study by the board of trustees, following the recommendation by the site committee in November.

They are located between Rocklin and Cold Springs, two miles below Auburn on Highway 40 and its feeder roads.

The concentration on the five sites resulted from the screening out of 21 additional sites that had been proposed.

## TAHOE WEATHER

TAHOE CITY—Two and a half inches of snow, with precipitation totaling .24 of an inch fell at Tahoe City Sunday, adding to 2 1/2 inches which fell Friday and five inches Friday to bring the total amount on the ground Monday to 19 inches. The temperature has ranged from 12 to 36 degrees during the past week. The lake level Monday was 6227.20 with 165 cfs of water leaving the gates.

## Prospective Jurors For Coming Year Chosen From Area

Supervisor H. G. Loehr this week announced the selection of 35 trial jurors from this district to serve during the coming year.

The list includes 30 from Truckee, two from Floriston and three from Soda Springs.

The list released by John T. Trauner is as follows:

Truckee  
Arthur H. Johnson, William E. Ost, Roy Slate, Stanley E. Zwart, Mary E. Zunino, Harold M. Welch, Margaret L. Walker, Charles F. Vind, Clarence A. Tollefson, W. Rex Thomas, Earl K. Stice, Earl H. Smith, Jr., Darro G. Rockholm, B. W. Reynolds.

John Reedy, Anthony Pace, Herman L. Owens, James R. Morhain, Joseph Mattos, Victor W. McLane, James McIver, Jr., Arthur L. Lawson, Harold T. Langille, Gilbert M. Kumble, Winifred Kamp, Ida Crandall, Elwood W. Buehler, Robert P. Bick, Kenneth W. Gordon and Charles J. Harvey.

Soda Springs  
Carl Buck, Elmo B. Moriano and George J. Zovich.

Floriston  
Laura J. Ingalls and Alex Frederick Ayala.

## Students Escape In Bus Accident

Twenty-six Tahoe-Truckee High School students were shaken up but uninjured when a bus in which they were riding and a car driven by John Petroff collided head on on Dollar Hill at Lake Tahoe Friday evening at 7:45 o'clock.

The bus, driven by L. J. Robinson, a student from Kings Beach was proceeding west en route to a school dance at Truckee. Petroff was going down the hill and apparently skidded across the road into the path of the bus. He was cited for being on the wrong side of the highway, driving without due caution and not having his vehicle under control.

Petroff and Margie Petroff, his passenger, suffered minor injuries. All of the 26 students were returned to their homes and missed the dance.

The California Highway Patrol made the investigation and cited Petroff.

## RUMMAGE SALE IS PLANNED BY W.S.C.S.

Plans for a rummage sale to be held January 22 and 23 in the basement of the Methodist Church were completed at the January 8 meeting of the W.S.C.S. held in the home of Mr. and Mrs. Roy Slate.

The scheduled sale will be open at 10 a.m. until 4 p.m. of each day.

Following the business session the birthdate of the hostess was observed. Those present included Mesdames Frank Quilici, Robert Roth, C. W. Sciutto, Lee Apple, Harry Barnes, Jack Ellis, M. C. King, R. Harris, Leslie Braasch, Dan Horman, Victor McLane and L. Hubbard.

## HOUSING DIRECTOR FOR OLYMPICS HERE

Louis Spitz of Reno, recently named housing director for the 1960 winter Olympics, was a visitor in Truckee Tuesday. He was accompanied by Mrs. Spitz. Spitz's resignation as captain on the Reno Police Department became effective Saturday and he went to San Francisco Tuesday night to start work with the Olympic planners.

Spitz said he plans to devote as much time as possible throughout the area organizing the huge job of accommodating the thousands of visitors expected to attend the games. He will be a frequent Tahoe and Truckee visitor, he said.

## AYALA TO RESIGN AS DEPUTY IN TRUCKEE

Deputy Sheriff Ralph Ayala announced this week that he has submitted his resignation to Sheriff Wayne Brown to become effective February 1. Ayala has been a deputy here for the past year. He did not reveal his future plans, but said he planned to remain in Truckee.

Sheriff Brown has not announced who will replace Ayala in the position.

The two other local deputies are Roy Waters and Emery Lander.

JOIN THE MARCH OF DIMES

## Federal Aid Asked To Finance Games For Squaw Valley

\$4,000,000 Is Included For Games In President's Budget

A \$4,000,000 federal expenditure to help construct facilities for the 1960 winter Olympics at Squaw Valley, was recommended Monday by President Dwight D. Eisenhower.

In his budget message the president asked congress to enact legislation authorizing the appropriation in view of the government's invitation to hold the eighth Olympic winter games in this country.

The money would supplement an appropriation of about \$8,000,000 by the California Legislature and addition funds from private sources.

In addition to helping construct facilities at the Sierra site, the federal appropriation would defray the cost of providing assistance to the operation of the games by army and navy units.

A federal appropriation of \$3,800,000 to help construct facilities for the 1960 winter Olympics scheduled at Squaw Valley, is being sought by the senators from California and Nevada.

Because of a limited season during which outdoor construction may be carried on, Senators Knowland, Kuchel, Malone and Bible during the past week sought budget bureau approval for their plan to seek an early appropriation which will supplement funds raised from private sources and approximately \$8,000,000 voted by the California Legislature to prepare the high Sierras site for the competition in which athletes of nearly all nations will take part.

"The United States, as an ardent advocate of all forms of athletics, is an enthusiastic member of the International Olympic Committee. We are convinced that these games occasion provide a bridge to greater understanding and good will between all the peoples of the world," the four senators said in a letter to Budget Director Percival F. Brundage.

"We can materially increase the prospects that the 1960 competition will contribute toward the spread of amity by assuring the most satisfactory facilities."

Noting that all plans have been completed, Senator Kuchel said those responsible for preparing facilities hope to put under contract this spring the ice arena, which will be one of the principal structures to be built.

## Tools Are Stolen In Floriston Theft

An undetermined number of miscellaneous tools, valued in excess of \$300, were stolen from a mobile shop of Gibbons & Reed, contractors constructing the freeway between Floriston and the state line sometime Saturday night.

Undersheriff Frank Gallino and Deputy Sheriff William Mullis of Nevada City were here Monday to assist Deputy Emery Lander in making the investigation.

Gallino said the work in the area has been stopped for the winter but that apparently no watchman has been kept on the job. Since the tools and other valuable equipment are adjacent to the highway, a temptation for thieves is offered, he said. The investigation is being continued.

## NINE INCHES SNOW FROM LAST STORM

The nine inches of snow which fell in Truckee since last Thursday added 1.40 inches of precipitation, to keep the seasonal average well above normal, according to Henry Toccacini of the U. S. Forest Service.

There were 19 inches of snow on the ground today. The temperature here has varied from a cool 7 degrees on Monday and Tuesday mornings to a high of 41 Sunday.

## TRUCKEE GIRL WINS DONNER SKI MEET

Although Mary Ann Tonini of Truckee, skiing for the University of Nevada, won the women's "A" giant slalom race sponsored by the Peninsular Ski Club Sunday on Saddle Hill, Donner Summit, her time of 1:42.6 was bested by Margi Meyer of Stanford in the women's "B" event who had a 1:23.4.

The men's "A" event went to Doug Gaylor of Sierra Junior College in 1:11.8.

The wind blew in gusts up to 75 miles per hour as the meet ended.

## WATER RATE HEARING

TAHOE PARK—An application by the Tahoe Park Water System for a rate increase will be heard by the state public utilities commission in Tahoe City Community Center at 8 a.m. January 23. The present owner of the company, Stanley Z. Bolton of Tahoe Park, asked the increase to finance improvements in the system which has been in operation since 1908.

Hunting and fishing are permitted in national forest wilderness areas in accordance with state laws.

#### AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO (CNS) — The problem of California's logging trucks is one which never seems to get settled, and probably never will to the satisfaction of everyone concerned until the last log has been hauled out of the forest.

However, that will be a long time of come, in view of the extensive re-forestation programs engaged in by lumber companies

of this state, which see in the mountains a continuing source of supply for the demands of the construction industry.

Assemblyman Frank P. Belotti (R-Eureka), who is chairman of the assembly sub-committee on transportation and commerce, recently held a hearing of the committee in Sacramento, at which a parade of logging industry representatives lauded a bill vetoed by Gov. Goodwin J. Knight, which the legislature passed at the 1957 session.

Belotti charged that "forces greater than the legislature" pressured the governor into vetoing the measure, and said he referred to the state department of public works.

### Personnel Board Asks For Increase In State Pay To All Employees

SACRAMENTO (CNS) — The state personnel board has come up with a belated Christmas present for state workers by recommending a 3 percent general wage increase for 1958-59. Gov. Goodwin J. Knight said he would include the recommended \$10,405,000 in his budget. The increase would amount to \$87.48 a year for the state's low-

est paid workers (\$243-\$295 a month) and to \$540 a year for the highest paid civil servants (\$1400-\$1500 a month).

The recommended salary increases would apply to all civil service employees and employees of the state colleges. However, it would not include University of California personnel or other exempt employees.

The personnel board said salaries and wages have continued to rise in California industry during 1957, but at a slower rate than in 1956.

"If the current trend continues, the March, 1958, surveys may be expected to show a 3 percent general salary adjustment, as of July, 1958, for all employees paid on a monthly basis will be indicated if state salaries are to be kept in line with those of private industry," the board said.

The total cost of the increase would include \$6,555,000 from the general fund, plus \$250,000 for special adjustments in excess of 3 percent, and \$3,600,000 for employees paid from special funds, such as the fish and game and employment departments.

State employees have been granted 5 percent increases in July of 1955, 1956 and 1957.

#### NOTICE TO CREDITORS No. 5827

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

In the Matter of the Estate of MAE ROBLES, Deceased.

NOTICE IS HEREBY GIVEN by the undersigned, William H. Robles, Administrator, of the estate of Mae Robles, deceased, to the creditors of and all persons having claims against the said deceased, that within six months after the first publication of this notice, they either file them with the necessary vouchers in the office of the clerk of the Superior Court of the State of California, in and for the County of Nevada, or exhibit them with the necessary vouchers to the said Administrator at the law offices of John L. Larue, Union Building, Nevada City, California, the same being the place for the transaction of the business of said estate in the County of Nevada, State of California.

DATED: September 6, 1957.

### MEETING DATES OF BOARD ANNOUNCED

Dates for its next three meetings have been announced by the California Fish and Game Commission. The commission will hold two two-day meetings in Los Angeles and one two-day meeting in Sacramento. In each case the first day will be regular meeting day, with the second to be taken up mainly with items of a regulatory nature.

The February meeting in Los Angeles will be for the purpose of setting regulations for the 1958 angling season.

The April meeting in Sacramento is for the purpose of hearing proposals from the department, the general public and others for changes in 1958 hunting regulations. The May meeting is for the

purpose of setting regulations for 1958.

Following is the schedule of meetings:  
February 27, 1:30 p.m., Los Angeles.  
February 28, 9:30 a.m., Los Angeles.  
April 3, 1:30 p.m., Sacramento.  
April 4, 9:30 a.m., Sacramento.  
May 29, 1:30 p.m., Los Angeles.  
May 30, 9:30 a.m., Los Angeles.

## STRICTLY STRICKLAND

By Bill Strickland

As you can see by the following news release, the residents and business people of our MOUNTAIN TOP wish to pay tribute to one of their outstanding residents and their only Olympic champion. It is our desire to rotate the meets between the ski areas that Dick called home.

The Dick Buek Memorial Junior

### Competition

Saturday, February 8th, will be the date of the first DICK BUEK Memorial Junior Competition. This event which is being sponsored by all of the business people and residents of the Soda Springs, Sugar Bowl and Donner Summit area will be an annual occurrence—rotating yearly between Soda Springs, Sugar Bowl and Donner Ski Ranch.

After this first meet the DICK BUEK MEMORIAL JUNIOR COMPETITION will be held the second Saturday of January, starting with January 10, 1959 at the Sugar Bowl. The meeting will be open to all junior skiers in all five classes. Since it will be a giant slalom it will give all of the junior racers a chance to sharpen up their style for the forthcoming junior point meets.

A beautiful perpetual memorial trophy is being contributed by Dick's family on which the top boy and girl winners will be inscribed each year. Carl Buek will also award first place cups to each boy and girl winner in each racing group. There will be many other awards made through the courtesies of the business people and residents of our Mountain Top.

This will be an opportunity for a lot of youngsters to compete against our recognized junior racers and evaluate their racing ability against known qualities. So, even though you may not have a race card, send in your application and find out if you may be one of our potential future Olympic champions.

Address all inquiries to Bill Strickland, Race Chairman, DICK BUEK MEMORIAL JUNIOR COMPETITION, Soda Springs, Calif.

The junior meet held Sunday at the Sugar Bowl is pretty indicative of who the top junior skiers from this section will be this year. Kit Schull topped the Junior I Boys with a very fine 124.4, followed by Dennis Hogan 125.3 and Don Murphy—125.5. Dennis skied last year for Strickland's unattached but since his family moved to Reno, he, of necessity, had to change his racing affiliation. Bob Strickland, after having a year's lay-off because of a broken leg, came in for a very creditable seventh.

Mary Helen Reich, Jackie Mauer and Dee Dee Tschopp ran in that order in the Girls' I Class. Dave McCoy's son, Gary, not only topped the Junior II Boys—he had had the day's fastest time among almost three seconds faster than all competitors. A terrific 121.3 time of the day and the second as well as having the fastest girls' II competition very handily as well. Starr Walton, who won their junior fastest time of all competitors.

Smiley Tschopp placed second in the Girls' II competition followed by Marsha Frankovich of Reno.

Gary McCoy was followed by Randy Rust of Yosemite and Walter Schopfer of the Sugar Bowl in Junior II Boys. Luggi Foeger's son, Chris, served notice that he is a comer by dominating the Junior III racers with a 126.8—this by a 13-year-old, mind you. Tim and Henny Berry of Yosemite ran second and third. Girls' Junior III were Elizabeth Russell of Yuba City—first, Susan Barkley of Blue Angel Ski Club—second, and Robin Coats of Yuba City, third.

Bud and Barbara Zorich hosted the Mountain Top youngsters at a birthday party for their daughter, Debbie, last week. Twelve youngsters from the Mountain Top were Deb's guests for games and dinner at her home followed by the movies in Truckee. We watched the procession, led by Father Bud, as it left the Zorich home, wind down through the snow to the cars for the ride to Truckee and we couldn't help but think of Snow White, and in this case—the 13 Dwarfs—or Cheaper by the Dozen, plus one.

## TRUCKEE BOY WITH MERCY SHIP IN EAST

CEYLON (FHTNC) — Leonard S. Garner, seaman, USN, son of Mr. and Mrs. W. S. Gardner of Truckee, arrived at Trincomalee, Ceylon, January 1 aboard the support aircraft carrier USS Princeton on a mission of mercy with the Ceylonese relief force.

The Ceylon emergency followed continual rains for many weeks.

Those attending were: Barry Cardwell and Bunny and Candy Board, Sugar Bowl; Lynn Aro, Janice Kelly, Billy Strickland, Barbara Lyddane of Soda Springs; Charlotte and Diana Silva, Nancy Burchfield, Roberta Kiser and Dennis Hampton of Norden and Debbie Zorich, hostess.

Bob Strickland celebrated his 17th birthday by getting back into junior competition at the Sugar Bowl meet, after a year's lay-off. Present for his cake cutting were our regulars from San Francisco, Bev and Kelly, as well as his family.

## Women At The Wheel

ACCIDENTS—Your first obligation in case of any kind of car accident is to stop and, if necessary, summon medical aid, advises the California State Automobile Association. Accidents which result in injuries and/or death or property damages exceeding \$100 must be reported to the Department of Motor Vehicles within 15 days. In the event of injuries, the local police or California Highway Patrol must also be notified within 24 hours.

and torrential downpours, described as cyclones, during the past few days. Reports indicate 100,000 homes destroyed by floods, leaving approximately 300,000 homeless flood victims.

In answer to the Ceylon government's urgent request, the navy and marine helicopter squadrons aboard the Princeton were called upon to deliver food packages to the thousands of marooned people and to rescue stranded victims.

The relief task group, composed of two destroyers and an airplane tender, in addition to the carrier, was on special training exercises in the South China Sea when the Ceylon emergency was reported. It immediately proceeded to Singapore, arriving December 29.

### 200 Tons Of Food

There approximately 400,000 pounds of emergency food supplies and 3000 pounds of medical supplies were loaded until the forward end of the Princeton's hangar

deck looked like a well-stocked warehouse.

Activity continued at a feverish pace even after the ship's departure early the morning of December 30. Four special medical teams were organized and given special training in the prevention of epidemics and water purification. The packaging of medical supplies continued night and day during the trip.

Air group personnel worked around the clock to make the anti-submarine helicopters more suitable for carrying food and medical supplies to the marooned areas of Ceylon, as well as providing additional space for those persons requiring evacuation.

## WHAT'S DOING

George Selkirk, Telephone Manager, Truckee-Tahoe

One of the nicest things about extension telephones is their convenience—as the lady shown above knows so well. When she's feeding baby, there's no need for her to run to answer the phone. She just reaches out and answers it. You can enjoy the same step-saving convenience in the Truckee-Lake Tahoe area with a phone in your bedroom, your den, or where you spend a lot of time. With nine decorator colors to choose from, the new phones are a joy to look at, too. After a single installation charge each extension costs just \$1 a month. So call your business office. Pacific Telephone, Tahoe City.

What have we here? A dinosaur skeleton? Or a monster from one of those spooky movies the kids seem to like so much? Wrong both ways. These are pre-formed telephone cables. They're for the switching equipment that helps handle your calls. How are these "gentle monsters" born? First, telephone people hammer nails in just the right places. Around this pattern—sort of like a jig-saw puzzle—they run thousands of wires. In the end, the whole thing's ready to fit right into a phone system. By doing wiring jobs like this in advance, we can expand service faster—to meet your growing needs.

## Tahoe-Truckee School District News

### TRUCKEE ELEMENTARY

Kindergarten: We miss our teacher, Mrs. Dee Osborn, who is in St. Mary's Hospital in Reno following emergency surgery.

We are pleased to have Donna Comola join our class this week, but sorry Debra Ruhl has moved to Reno.

Another set of tonsils taken from our group—Christine Juliot, we hope, will make a speedy recovery.

First: This week we worked on a picture dictionary and drew a picture for each letter of the alphabet.

First and Second: Bill Cardinal of Blue Lake, a former classmate, visited our room Tuesday.

Our new class officers are: Second grade, president, Linda Russell; vice president, Michael Kydd. First grade, president, George Francheschini; vice president, Joe Merica.

Thursday we held a spelling match. Those remaining up the longest were: Michael Kydd, Elgin Johnston, Karel Sauby, Linda Russell, Jennifer O'Beir, Victor Rice, Kenny Brethauer, Rosa Pindo, Wilbur Glenn and Kathie Hart. All went down on last word except Kathie Hart who spelled the word and became the winner.

Second and Third: We are sorry that Marion Ayala and Danny Funk have been in the hospital.

Those having correct spelling

tests on Friday were Ronnie Walker, Bruce King, Wayne Mosby, Darlene Doolittle, Mary Ann Moore, in the third grade; Pamela Horman, Phillip Ridsen, Susan Schuler, Bobby Goldsmith, Henry Frates, Bill Rose, Diane Daly, Bruce Ayala, John McGlade, Barry Waters, Dennis Crandall, John Clark, David Higgins and John Gholson, in second grade.

Penmanship papers displayed on our bulletin board are those of Darlene Doolittle, Mary Ann Moore, Darlynn Ingalls, Ronnie Walker, Bruce King and Wayne Mosby, in the third grade. Keith Saunders, Phillip Ridsen, Henry Frates, David Higgins, John McGlade, Diane Daly, Bruce Ayala, Pamela Horman and Susan Schuler have papers displayed for the second grade.

Third: The third grade welcomes Cherie Comola to the class. She comes from Garden Grove.

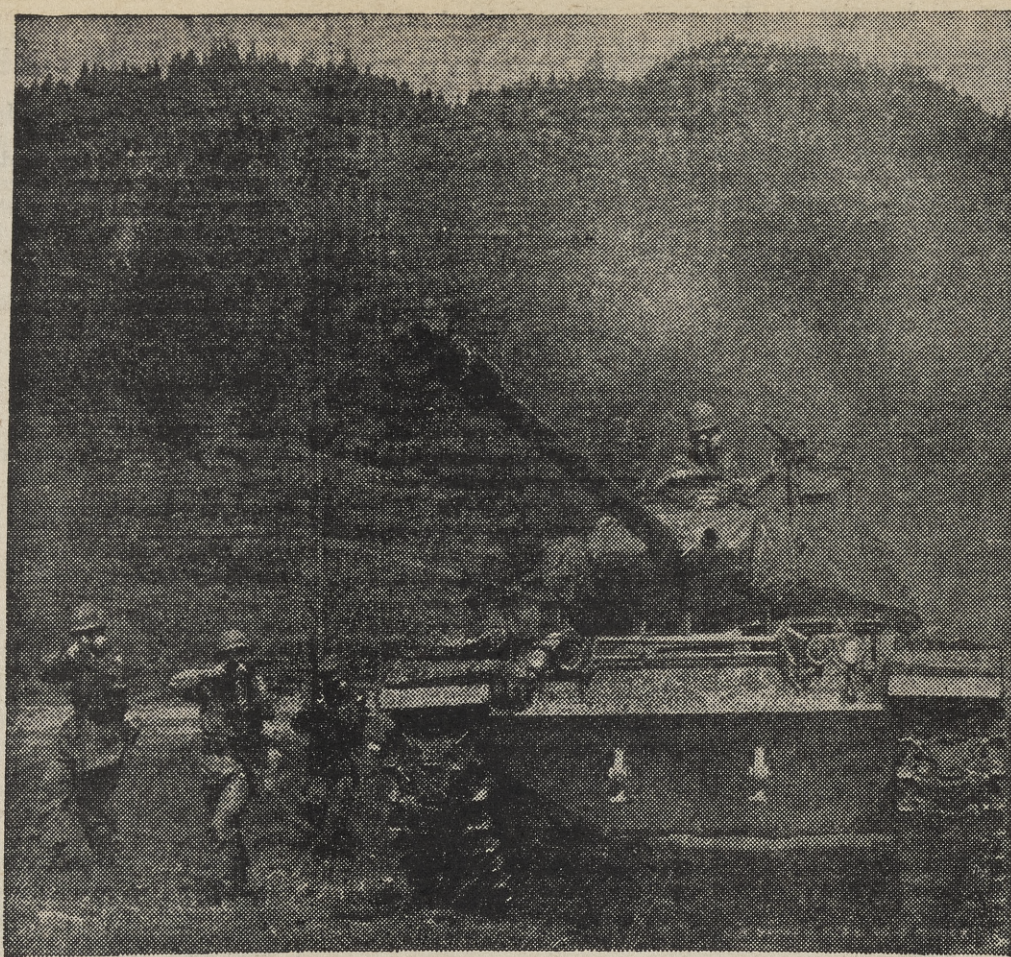

We are studying communication and hope to visit the local newspaper office to learn how the newspaper—an important means of communication—is organized.

The following pupils wrote perfect spelling papers: Kathryn Braasch, Cathy Braley, Vicki Crandall, Gail Englehart, Russell Glenn, Gary Kehm, Jack Melugin, Susie Olan, Cheryl Rockholm, Len Vind and Gary Waters.

Kathryn Braasch proved to be the best oral speller in a contest held this week.

Gary Waters, Jack Melugin and Tim McLane have done some interesting drawings of space travel, and have aroused the artistic enthusiasm of the whole class.

Fourth: Class officers for Janu-

NATO TRAINING—Amidst the hills of northern Italy, American soldiers of an armored infantry battalion, Southern European Task Forces, practice unit tactics with a light tank.

ary are as follows: Chairman, Diana Pankoke; Connie Rhoades, co-chairman; and secretary, Ricky Ralphs.

In social studies an outstanding grade was achieved by Connie Rhoades. Also, 15 members of the class showed improvement and eight members (D. Nelson, M. Snow, L. Digesti, D. Maynard, S. Van Sickle, C. Lewis, J. Besio and K. Walker) did their best scholastic work in social studies for the year.

Fifth: The fifth grade held elections for class officers Monday. The officers elected were: president, Eddie King; vice president, Danny Garcia; and secretary, Judy McGinn.

Wade Mosby made a very interesting report on a winery at Astia, California.

Those making a perfect score in spelling were: Judy McGinn, Marcia Leamon, Wade Mosby, Dennis Douglas, Dennis Stumbaugh, Pat Shane, Gloria Boyer, David Soroni, Jimmy Roth, David Fordham, Wilma Curran, Mike Sauby, Mike Harris, Kenny Taylor, Skipper Peterson, Skip Jensen, Garry Sturcke, Danny Garcia, Linda Banyard and Richard Gray.

### KINGS BEACH SCHOOL

Kindergarten: This week we're learning some new number songs. Lana Hill has been out of school all week with chickenpox.

First: This week we have started to write our own stories using our own word boxes. We are all reading in new books. We are counting by two's.

Second and Third: Since it is a new year, we have been studying the calendar.

Bobby Brandt left for San Jose. Bobby plans to be back with us after Easter.

Third and Fourth: The third grade is now working on division and multiplication in arithmetic. The fourth grade project in social studies is to find out the everyday uses of the common minerals found in California.

Fifth-Sixth: The fifth grade has begun a study of the Declaration of Independence. The sixth grade has selected three chairmen for social studies projects. These chairmen are: Marcia Sims, Brad Thompson and Harry McIntire.

### TAHOE LAKE SCHOOL

Kindergarten: Tahoe Lake kindergartners are quite excited about starting work in their new reading readiness workbooks. It is called the Red Book from the learning to think series.

One hundred percent and stars went on the vocabulary test papers of the following first grade: Ann Starratt, Cheryl Bechdolt, Shirley Stark, Tony McLane, Heidi Henrikson, Michael Allgaier, Kathy Stowe, Bobby Litke, Eric Poulsen, Brent Riggs.

### MARCH OF DIMES AT NORTH TAHOE IS OPENED BY POSTS

CRYSTAL BAY — The 1958 March of Dimes opened in the communities of the north side of Lake Tahoe on January 4, as members of the Veterans of Foreign Wars of Post 7077 and the Auxiliary distributed coin collector cards and posters to all businesses in the area.

On January 8 cards were distributed to the children of the Kings Beach elementary school and the Tahoe Lake school. These cards will be collected by the members of the Auxiliary January 21.

The March of Dimes was launched on the note that for 53,000 polio victims "survival is not enough." Polio victims who must depend upon the March of Dimes for their very existence, for every step they take or every breath they draw.

Funds collected in the annual

Bradley, Shirley Gratner, Leo Quarty, Heidi Allgaier, and Jim Henry.

First-Second: In the first grade this week the following people made star papers in beginning arithmetic combinations: Ann Starratt, Heidi Allgaier, Heidi Henrikson, Cheryl Bechdolt, Shelley Wilson, Shirley Gratner, Steve Mitchell, Kathy Stowe, and Mark Calhoun.

In the second grade the following people received 100 percent in spelling this week: Tommy Hoff, Jim Caulkett, Mike Dempsey, Gary Albin, Bro Shontz and Erik Henrikson.

Second-Third: The second and third grades opened the new unit in the social studies with an exciting trip into Africa with a short visit in Kenya.

A review of how to read an arithmetic problem was carried on for three days, showing great results in the third grade with the scores coming up from below 70 to almost a full 100 percent.

Fourth: Nineteen fourth graders received perfect scores in the weekly spelling test.

"Is It Superstition or Science?" was the theme of our science unit for the week. Everyone admitted eventually having at least one superstition.

Fifth-Sixth: Over the holidays, George Day broke his leg while skiing. However, he is back in school now and feels fine.

Mr. Mack, the principal of the Kings Beach School, has invited the boys over in February to play basketball in their new gym.

The following sixth graders received an A grade on their geography test on Canada: Howard Cincotta, Janis Giannini, Erica McLane, Eddie Gill, and Sandra Riggs.

### Redding Man Will Head Game Group

Weldon L. Oxley, Redding insurance executive, was elected as president of the California Fish and Game Commission at the organization's January meeting in Sacramento.

Thomas H. Richards, Jr., Sacramento business man, was elected vice president, succeeding Oxley.

Oxley will succeed Andy Kelly whose term expires January 15. The commission accepted recommendations from the department of fish and game, its own officers and the general public during the meeting. Its proposed determinations will be announced in mid-February.

### Church News

#### COMMUNITY METHODIST CHURCH

Sunday worship service at 11 a.m. following the church school at 9:45 a.m., classes for all ages.

The official board and members of the commissions met Tuesday night to make plans for the every member canvass for Evangelism. Chairmen of the commissions are: Stewardship and finance, Daven Morey; missions, Mrs. Muriel Frey; worship, Mrs. Ben R. King; women's society of christian service, Mrs. Bob Roth (pro-tempore); membership and Evangelism, Mrs. Daven Morey; education, Mrs. Fosten Wilson.

Members of the above groups within the church will attend a meeting at Reno First Methodist Church Friday evening to hear Dr. Briggs of Nashville, Tenn., speak on the every member canvass.

#### TRUCKEE BIBLE CHURCH

Pastor: Rev. Roy S. Rhoades  
Tuesday afternoon after school, the teen age girls met for the first practice for chorus singing to be held in the ministry of music for the Sunday worship services. We look for this ministry to grow and become a real blessing in our midst.

Sunday's sermon title is Tragedy or Triumph, and marks the third in a series on the victorious life.

March will help these patients overcome helplessness where Salk vaccine came too late. The money will also be used for continued research.

The North Tahoe area contributed \$1,207.55 in 1957, \$400 over 1956 and again this year, people of the North Side are asked for their full support to make the 1958 drive break a record.

### Registration Here Shows Gain In Year

Registration breakdown for Nevada County as of December 31, of 9,912 registered voters, was released last week by John T. Trauner, county clerk.

Total county registration showed 4,657 Republicans; 5,042 Democrats; five Socialists; two Prohibitionists; nine Independent Progressives; eight Constitutional Party members and 189 who declined to state their party for a total of 9,912.

In the fifth supervisorial district, which includes Truckee, there was an increase of 101 voters over the figure last year, with 324 Republicans; 489 Democrats; two Progressives and 24 who declined to state for a total of 839.

Trauner reminded voters that

April 10 at 5 p.m. is the deadline for registration to vote in the June, 1958, primary election for all persons who are not now registered or who have moved since the last election or who have changed their residence or name.

Truckee registrars are N. F. Doley at the Truckee Hotel or Mrs. Kamp at the office of the Truckee Public Utility District.

Mrs. Leland Baker of Squaw Valley was a patient at Tahoe Forest Hospital early this week.

New state laws provide heavy penalties for throwing litter on the highways. Be safe; carry a trash-bag in your car—and use it.

Brazil nuts grow in a shell about the size of a coconut, weighing from two to four pounds and contain from 15 to 20 separate nuts. JOIN THE MARCH OF DIMES

## NORTH TAHOE

By JUDGE HARRY CHARRISON

### Great News

After many years of fighting to get a real road over the Truckee-Brockway shortcut, along comes a front page item that a huge sum of money totaling \$359,000 is to be spent on the route over four miles. This is very gratifying to the residents of North Tahoe and Truckee. Bringing an old adage to memory, "If at first you don't succeed—keep trying." This a feather in the cap of the Community Club after 30 years of continued effort. Hats off to the board of supervisors.

### Takes Trip

Smiley Cunningham of the Flying A Station at Kings Beach, was not satisfied with a big turkey dinner, he had to swallow a bone and so had to take a trip to the Washoe Medical Center and landed in the same bed I had occupied the day before. He came home the following day with the feeling that the bone was still in his throat, but still "smiling."

### Friends, Indeed

Have you had a kindness shown? Then pass it on. We shall certainly pass on this one at the earliest opportunity. Last Saturday, Sergeant Rabaska, Deputy Woody Burris, being off duty, came to our house and dug about a cord of wood out of the snow, split and stacked it on our porch to the delight of my wife and myself. We forgot to mention last week that Deputy Burris and his wife have two lovely daughters, Georgia and Jo.

### Return Home

Ned Malla and his mother just returned from a trip to San Francisco and down the peninsula. Ned was very sick while away and was thankful to get homeward bound.

### New Residents

Ruby and John Clackett are new residents of the golf course and are hello neighbors. They purchased the former Leonard Chanda home.

### Back From Vacation

Jerry Rapisarda, our deputy and Betty and family just returned from a three-weeks vacation in the bay area. Betty says she is a native of Tahoe now and no longer a flatlander.

### In Islands

Dave Ashton, our grandson, wrote his dad (Dave Ashton), from his ship the USS Kearsage in the Philippines Islands. He said he may be in calling distance any time, and we hope so.

### Engagement

Little Old Cupid is still on the job giving love potions to young and beautiful ladies of our area.

## RICHARD ASTLE WED GERMAN GIRL

KINGS BEACH—A wedding announcement in German with a note of explanation from Richard Astle, formerly of Kings Beach told of his marriage at Augsburg, Germany, to the former Katharina Trommer. A wedding reception was held in the Cafe Hirsch in Haunstetten, a suburb of Augsburg.

The bridegroom who is well known in this area, where he attended schools, is with the U.S. armed forces, stationed in Europe and is the son of Mr. and Mrs. Ivan Astle of Kings Beach.

Latest to come under the spell is Jacquie Abbott, who will be married Feb. 2 at the Wee Kirk of the Pines with Rev. Earl Langguth officiating. The lucky young man is Richard Lawrence who is presently an instructor in the Air Force at Reno. Jackie is the youngest daughter of the Byron Abbotts of the well-known plumbing firm at Kings Beach. Jacquie graduated from the Tahoe-Truckee High School last summer.

### Anniversary

Nina and Carl Sorensen celebrated their 40th wedding anniversary on Friday, January 10. They have had their home here for the past 21 years, real old-timers, don't you think?

### Theater Group

A theatrical group has been formed at the North Tahoe area with Jimmie Chastain acting as president. All those who are interested in joining the local thespians are asked to call Chastain for further information.

### At Hospital

John Hesse of Kings Beach is improving at Tahoe Forest Hospital.

### Change Address

The Leon Barker address has been changed from Kings Beach to Palm Springs, until early spring.

### What's Wrong?

What is happening to our Community Club? At the December meeting there were only eight paid-up members in attendance. At the last meeting only six. Your Community Club can't be very representative of the views of the majority of the people in this community with this sort of attendance. The officers are trying hard to represent the people in this community and are doing a splendid job but they need your support. No organization can function properly without the support of its members and the Community Club is no exception. By your attendance you will be doing yourself and your community a vital service.

## NEW EPISCOPAL CHURCH AT TAHOE PROPOSED

An artist's conception of the proposed new St. Nicholas Protestant Episcopal Church, planned to be built at Tahoe City. The building will provide the community with

a year around place of worship and will supplement the present Outdoor Chapel where summer day-time services are held. Charles Beardsley, lay reader at the

St. Nicholas Mission, is spearheading the drive to raise funds so the new church edifice can be started in the near future.

## MANY INTERESTED AS PLANS PROGRESS FOR NEW EDIFICE

TAHOE CITY—Following Bishop Clarence R. Haden's visit to St. Nicholas Mission at Tahoe City, plans are nearing completion for erection of a permanent winter and year around church. Rev. Haden is bishop of the Protestant Episcopal Diocese of Sacramento.

The structure to be known as St. Nicholas Church, is to be erected as a living testimonial to the work of Bishop Noel Porter, retired, for his work at Tahoe during the past 25 years.

The building chairman is Norman Mayfield, who has built many fine homes in the Tahoe area. He has been traveling over the state examining churches to find out the best in recent church construction.

The artist's conception (shown above) has been drawn by Loren Holmwood, distinguished American artist and winner of the grand prize at the Laguna festival. He has always been interested in church architecture in his travels around the world.

Plans and working drawings are being prepared by Allen Steltzner of Piedmont.

The work of the church is under the care of Charles Beardsley, the bishop's lay reader and former educator, who takes care of the worship service at St. Nicholas mission.

Attendance at the church averages 70 people and 29 have been confirmed since the start of the mission.

Membership is open to all Christians who wish to participate and about 75 families are in active membership now, Beardsley said. Three young men, Leonard Bury, Gordon Moyer and Phillip Howard are studying to become lay readers and the vestry is made up of Moyer, senior warden; Jay Shontz, junior warden; Wendell Russell, treasurer; Myrtle Carnell, treasurer; Ernie Waters and Mrs. Leonard Bury. A larger general committee is made up of 12 members and other work of the church is assigned to ten committees.

The congregation meets at St. Nicholas Mission hall, half a mile south of Tahoe City. The hall has been nicely furnished and decorated by members and the organ used was given to the Outdoor Chapel 50 years ago.

Choir robes, acolyte robes and vestments have been purchased by this young but dynamic congregation.

## Miss Jacquie Abbott To Wed Richard Lawrence In Lake Rites February 2

KINGS BEACH—Mr. and Mrs. Byron Abbott of Kings Beach have announced the coming marriage of their daughter, Miss Jacquie Abbott, to Richard Lawrence of Seattle, Wash. The wedding service will be performed by Rev. Earl Langguth on February 2, Sunday at two o'clock in the Wee Kirk O' the Pines at Kings Beach.

Following the ceremony a reception will be held in the Crystal Bay Club at Crystal Bay, Nev. Miss Abbott who was popular as a member of the younger set while a student of Tahoe-Truckee High School, graduated last year and has since been attending a beauty school at Reno where she met her future husband.

Lawrence is a survival instructor, stationed at Stead Air Force Base and it is expected the young couple will make their home at Reno while he is on duty there.

The many friends of the young bride-elect have given their felicitations since the betrothal announcement.

Nearly 10 percent of the people gainfully employed in California are engaged directly in agricultural work.

There were 94,338 forest fires in the United States in 1956.

Fred Kilner donated the lot which is just north of the bridge on the lake front in Tahoe City. The excavation work was done by the church and Henrikson Brothers who donated their work.

Offers of labor, money and materials have been received from many sources and all persons who desire to assist are asked to inform Wendell Russell at Russell's Motel in Tahoe City.

An active subscription campaign will be conducted by mail under the supervision of Bishop Haden.

This new church will serve the Tahoe people in the winter and will be used for early morning and evening services in the summer. The Outdoor Chapel will be used for the 11 o'clock services to accommodate the large interdenominational crowds that gather for worship in the summer. The church will also serve the many winter visitors and skiers.

## TAHOE GROUPS TO URGE COUNTY AID FOR SAFETY LAWS

KINGS BEACH—The North Tahoe Community Club is spearheading a drive among organizations in the area for a Placer County ordinance to regulate boating and water sports on Lake Tahoe.

President Stephen Port of the Community Club told members of the Council of North Tahoe Organizations at a recent meeting the sheriff's office, acting with District Attorney Al Broeyer, has drafted such an ordinance for the supervisors, but no action has been taken.

He said a lack of law enforcement on the lake is becoming increasingly serious and urged a strong effort be made to get the statute and money allocated for enforcement before the next summer season.

Port said other organizations, particularly the Nevada-California Lake Tahoe Association and the Lake Tahoe Safety Council, are working with the coast guard auxiliary to get a permanent coast guard detachment assigned to the lake to enforce federal regulations but said the county cannot wait for federal action.

## MRS. HENRY MEMBER OF HEALTH GROUP

AUBURN—Five members of a new Placer County Health Advisory Board were appointed by the board of supervisors.

They are Dr. F. Lynn Smith of Colfax, Dr. Kenneth Reuter of Roseville, Dr. A. L. Bullock of Auburn, James Ford of Roseville, and Marie Henry of Tahoe City.

The board indicated that two more lay members would be named, increasing the total to seven members.

## ROTARY SEES FILMS ON CANCER CONTROL

KINGS BEACH—One of the largest meetings of the winter was held Monday night by the Brockway Rotary Club. It was Wiley Jones' birthday and he treated everyone present to a cigar.

Fred Baker presided and turned the meeting over to Dr. Allen Sklar who presented a film entitled "The Other City," showing how the City of Racine, Wisconsin, combated cancer through united effort with the American Cancer Society.

It was voted to not hold the next meeting next Monday night but to meet with the Tahoe City Club on Tuesday, January 21 for a ladies' night.

## DEPARTMENT HEAD VISITS TAHOE VET AUXILIARY JAN 8TH

Mrs. Claude U. Shipley, who made her official visit as Department President to the Auxiliary of Post 7077, Veterans of Foreign Wars at Crystal Bay January 8th.

CRYSTAL BAY—Mrs. Claude U. (Jeanne M.) Shipley, president of the Department of Nevada, Ladies Auxiliary to the Veterans of Foreign Wars, made her official visit to the Ladies Auxiliary of Post 7077 on January 8 at a dinner meeting held at Crystal Bay Club.

Mrs. Shipley gave a complete report on the 44th National Encampment held at Miami Beach, Florida, as well as outlining the departments program for the coming year.

Mrs. Shipley is the youngest woman to be elected to this office in the Department of Nevada and has been a member for the past 14 years, joining on the eligibility of her husband's service in the Pacific theater during World War II. She joined in Minneapolis and transferred to Reno in 1948. She has filled many offices in the organization.

She was accompanied to the local meeting by Chris Schmitter, Hazel McDowell, Virginia Gionetti, Betty Buckley and Gertrude Caldwell.

## JOIN THE MARCH OF DIMES

Ready for your bigger, tougher jobs!

## Another... bigger... Forward Control 'Jeep' Truck

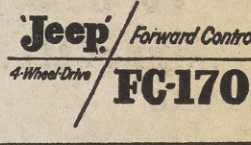

It's the completely new, more powerful, 7,000-pound GVW Forward Control 'Jeep' FC-170 Truck:

- More cargo space on less wheelbase! A 9-foot pickup box on a wheelbase only 103 1/2 inches long. Bed is only 27-inches from ground for backsaving ease of loading.

- New advanced design! Driver is in Forward Control position for greater command of any driving situation.

- New high for "big-load" maneuverability! 4-wheel drive traction and 'Jeep' "go-anywhere" maneuverability carry bulky payloads up to 3500-pounds to areas ordinary trucks can't reach.

Other outstanding features: performance-proved, high torque Hurricane 6-226 engine • spacious Safety-View cab • big wrap-around windshield • with power take-off, it operates a wide range of special equipment.

Get an on-the-job demonstration at your 'Jeep' dealer!

## NEWS NOTES FROM TAHOE

by MARIE C. GRAHAM

**Rotary Meeting**  
The Rotary Club of Tahoe City held a dinner meeting at Tahoe Inn January 7. It was attended by 26 members, three visiting Rotarians and two guests. The visitors were Fred Schultz, Roy Porath and Don Barkhurst. Bob Easton, a power company employee of Tahoe City was honored for his help in trimming the tree for the children's annual Christmas party. Wendall Russell was the guest of Harry Johanson. For entertainment, Don French told of his vacation trip in Oregon and Ernest LePire told of his visit to South Dakota. Vice-

President Martin Spitsen presided in the absence of Warren Porter, who with his wife, is on a buying trip in the East. Porter operates a clothing store here.

**Committees Named**  
The Women's Club of Tahoe met at Tahoe Inn on January 9 at 12:30 for a luncheon meeting, at which time committees were set up to handle future activities of the Women's Club for the next several months. First, Mrs. Don Rieck was elected chairman of the program committee for a Valentine party to be held February 6 at the Tahoe Inn. She will be ably assisted by Mrs. Edward Wilson and Mrs. Tony Donadio, the other members of the committee. For the months of March, April and May, it was decided that Mrs. Marshall Rukkala would be chairman of the ways and means committee with Mrs. Leonard Bury, Mrs. Ray Grahn and Mrs. Tom Sheehan as the other commit-

## TAHOE 'LAKE OF THE SKIES' COUNCIL PLANNED

Representatives of chamber of commerce and business groups at Lake Tahoe met at the Riverside Hotel to further plans for forming a Tahoe Lake of the

Skies Council. They were the guests of the Nevada-California Lake Tahoe Association at dinner following the three-hour meeting. Left to right in the picture

are: Pere Woodcock, Lee DeLauer, Lyle Gunkel, Thomas L. James, William Bien, Joseph F. McDonald, Harry L. McIntire, Fred Schultz, and Norman L.

Goeringer. William Brussard and Dr. Vernon Wal attended the meeting but were unable to remain for dinner.

tee members. For the month of June there will be installation of the Women's Club officers with Mrs. George Caulkett heading the committee in charge and Mrs. Jay Shontz, Mrs. George Selkirk, Mrs. Bud Jones and Mrs. William Bechtolt as committee members. At the March meeting on the 6th, a movie will be shown, entitled, "Your Community." This film was produced by, and is shown through the courtesy of the Sears-Roebuck Foundation, to tell the success story of various community achievements. At the close of the meeting each one present—member or guest—told "why she came to Tahoe." An interesting fact was brought out when Mrs. Ida Simmonds told of coming to Tahoe in 1926, thus making her the oldest member here.

#### Fire At Tahoe

A fire of unknown origin broke out in the upstairs bedrooms of the Chris Burmer home on January 8 about 7 p.m. Firemen had it under control in an hour's time but the boy's bedrooms were destroyed and a considerable amount of clothing was ruined although no one was injured. There was real tragedy to the boys—there are four—whose Christmas presents were all burned. Included in these are the new skis which each boy got this year. For the time being, the Burners are living in Lake Forest.

#### Visit Hospital

On January 7 the Girl Scout troop of Tahoe City paid a visit to the children at the Tahoe Forest Hospital in Truckee under the supervision of Mrs. Enrico Gianini, scoutmistress and Mrs. Dick Sprague, her assistant. The trip was planned as a Christmas party for the nurses and the children but snow conditions prevented the girls from going at that time. The candy, cookies, books and toys were taken at a later date. Among those who visited the hospital were Sandra Snyder, Linda Sprague, Janice Gianini, Kim Turner, Karen Henry,

Janie Shontz and Erica McLane.

#### In San Diego

Ken Dunn, manager of Kehoe's Market, and his family are enjoying a short winter vacation in San Diego and parts south.

#### New Car

Judge and Mrs. C. W. Vernon have just added their names to the list of new car owners. It's a beauty.

#### In Hospital

Hospitalized—but doing nicely at last reports—are Mrs. Jess Taylor in Marysville; Mrs. C. E. Lee of Lake Forest in Redding; and Charles Nielsen in Reno.

#### Ends Career

This column writes finish to what I believe is the shortest newspaper career in history. Personal reasons that I could have foreseen if I had stopped to think, make it necessary for me to turn this over to someone else, and I am truly sorry. I liked seeing my words in print.

## WAYNE POULSEN TO ADDRESS CARNIVAL

RENO—Wayne Poulsen, Squaw Valley ski pioneer, has agreed to be the keynote speaker at the University of Nevada's annual winter

others take on added interest when we know the romance of how they started and how they grew.

Calling on his 30 years or more of experience, Jerry Carpenter has produced a wealth of authentic and interesting facts on all of these subjects and many more in a book that is unique in that for the first time it brings all snow and ice sports and related subjects under one cover. California Winter Sports and the VIIIth Winter Olympic Games, published by Fearon Publisher, San Francisco, is available from your favorite book store or ski shop.

carnival, of which he was the founder in 1937.

The announcement was made by Coach Chelton Leonard whose Wolf Pack skiers will entertain 10 college teams for the carnival events on February 14-15-16.

He said Poulsen is being honored as Nevada's all-time skiing great—the man who not only founded the winter carnival but also organized the school's first ski team, became its great four way competitor, helped form the Pacific Coast Intercollegiate Ski Union, coached the 1939 Wolf Pack which claimed the national championship, and carried out the scientific studies and snow survey upon which were based the development of ski resort areas at Mt. Rose Bowl, Slide Mountain, Tahoe Meadows, Reno Ski Bowl, Sugar Bowl and Squaw Valley.

It was also pointed out that Poulsen has carried on a 28-year

### PROPOSED NEW CHP UNIFORMS BRING ON OFFICIAL PANNING

SACRAMENTO (CNS) — A pair of state legislators have charged a new set of uniform regulations issued for the California Highway Patrol would result in "comic opera attire" for patrolmen, plus out-of-pocket expenses of \$200-\$300 per officer.

Senator George Miller, Jr. (D-Martinez) and Assemblyman Clayton Wills charged also that the order issued by Commissioner Bernard R. Caldwell was "open defiance of the legislature" as the 1957 session rejected a bill which would have authorized the commissioner to make changes in uniforms.

The CHP order in question, General Order No. 73.2, of December 1, would take effect May 1. It would require (1) stripes on trousers; (2) piping on jackets; (3) new colored shirts; (4) blue neck ties, instead of black; (5) new caps; (6) holsters and gun belt assembly to conform to new specification; (7) shoes to conform to specifications; (8) yellow raincoats; (9) royal blue woolen socks; and (10) shoulder cord of aquilette.

Highway patrolmen must pay for their uniforms and equipment. Both Dills and Miller argued this would require patrolmen to discard most of their present uniforms and equipment.

Miller said he was directing the matter to the attention of the governor and director of finance as he believed it subjected the state to claims for reimbursement from every patrolman. In a letter to Caldwell, Miller said "such order was issued in the face of a refusal by the legislature to give your specific authority to take such action."

Miller said the "proposed new uniform, as it has been described to me with all the piping and other jazz called for in your order, is a monstrosity."

"Such comic opera attire," Miller's letter said, "is not only hideous taste but is most inappropriate to the dignity of the patrol whose individual men though their dedication to the highway service have earned over the years the great respect of the motoring public."

Miller said if uniforms are to be changed, it should be done so at the order of the legislature, and should not preclude a patrolman from continuing to wear his present uniforms until they normally would be replaced. He said the patrolmen "should not be subjected to the capricious action of an appointive head who himself is subject to replacement."

"If it were otherwise, the patrolmen could be required to change their uniforms every time a new commissioner take office," he said. Dills' letter to Caldwell threatened possible legislative action if the order is not withdrawn.

### School Will Study Science Demands

The Tahoe-Truckee High School District will soon have a study under way to see if increased emphasis should be placed on science and mathematics, Principal William Sciutto announced.

"This study is being conducted in spite of the fact that Tahoe-Truckee High School offers a very complete science and math program for its students. This does not mean that it cannot be improved and we are seeking ways and means of continually striving for improvement," Sciutto said.

"Our present program is as follows: Students preparing to enter college in the fields of math or science are required to take the following math and science courses: General Science, Algebra I, Geometry, Algebra II, Chemistry or Physics, Trigonometry. Students who show exceptional ability in these subjects are urged to enroll in the advanced science and math course. Electronics is an elective course which is closely related to this field and attracts students who wish to specialize in this area. Last year the Tahoe-Truckee High School established a separate class in math and science for its seventh and eighth grader. Heretofore, science was taught in the core class where there was not ample time to stress it properly," Sciutto declared.

ened possible legislative action if the order is not withdrawn.

"Your action in the face of repeated refusals of the legislature to authorize changes in the highway patrol uniforms amounts to open defiance of the legislature and constitutes malfeasance in office," Dills said.

Miller's letter to the commissioner included a report from his committee's executive secretary, Earl G. Waters, detailing what each specific item in the new regulations might cost the patrolman. Waters said shirts, ties, socks, caps and raincoats would have to be purchased new as the ones presently worn would not fit the requirements.

Waters said there never had been specifications for holsters and gun belts and many would have to be replaced. He said some trousers presently owned by patrolmen might be "serviceable for night and rough weather duty but not good enough to justify the expense of attaching piping."

### EXTENTION OF TIME FOR VACCINATION OF PLACER CANINES

AUBURN—The period for procuring dog licenses for dogs in unincorporated areas of Placer County has been officially extended to May 30th by the board of supervisors.

The action was taken on the recommendation of Dr. Richard F. White, Placer County health officer and W. B. Wright, poundmaster, in order to provide for vaccination of dogs prior to licensing in accordance with the recent state law making this mandatory.

The health department is planning to work with the veterinarians in the county to arrange for mass dog vaccination clinics at a reduced rate per dog during the middle spring in various strategic locations throughout the county.

For those students who are not college bound, Tahoe-Truckee High School requires for graduation: two years of math; one year of general science; four years of English; four years of social studies; four years of physical education. Social studies include world history, U.S. history, senior problems and orientation.

### NOTICE OF HEARING BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application No. 39334

In the Matter of the Application of Stanley Z. Bolton and Lauretta A. Bolton, husband and wife, doing business as the Tahoe Park Water System, for an order authorizing an increase in the rates for water service rendered in Tahoe Park Tract and Miramar Heights Tract, Placer County, Lake Tahoe.

NOTICE IS HEREBY GIVEN that the Public Utilities Commission of the State of California has set the hearing in the above entitled matter before Examiner Foster for Thursday, January 23, 1958 at 9:00 a.m. in the Tahoe City Community Center, Tahoe City, California, at which time and place all interested parties may appear and be heard. A copy of the application is available for public inspection during business hours at either the Company's local office in

Tahoe City, or the office of the Public Utilities Commission in San Francisco.

BY ORDER OF THE PUBLIC UTILITIES COMMISSION.

Dated at San Francisco, this 5th day of December, 1957.

## DOWNHILL OF WENGEN RACES ON SATURDAY

NORDEN—Saturday, January 18 the annual Downhill Only Club of Wengen race will be held either on Mount Disney or Lincoln at Sugar Bowl, depending upon the weather.

The race is open to all classes, A, B, C and open and approximately 120 entries are expected as this will be the first major race in California this year.

The race is an American version of the British Downhill of Wengen Ski Club and telegraphic messages are exchanged yearly over this race and the British Club usually gives it big writeup in their magazine and publishes many pictures. John Wiley, Sugar Bowl Ski Club charter member, originated the race and will be present on Saturday.

On Sunday, the Ski Club of Palo Alto in conjunction with Alameda and the Skoalers will hold a "Try Giant Slalom" race on Disney.

Snow and weather conditions all over the summit area are reported excellent.

JOIN THE MARCH OF DIMES

## Two Local Men On New Grand Jury

Two Truckee men, Walter A. Loynd and Edward Hellar are on the 19-person Nevada County Grand Jury, the first such body to be impaneled by Superior Judge Vernon Stoll.

In instructing his jury Wednesday, Judge Stoll noted that California law requires a grand jury for each county be impaneled and sworn each year.

A grand jury, which many persons do not understand, is organized to study cases which the district attorney may bring to them in lieu of taking upon himself the entire responsibility of deciding that evidence warrants prosecuting a case. The grand jury investigates and decides in strict accordance with the law.

A grand jury is also required to inquire into public offenses and study each county office and make recommendations and report upon needs for increase or decrease in salaries in many such offices and recommend procedures they think might be needed or improvements over current ones. They also examine books and records of all officers of the county.

Following swearing in of the grand jury the superior judge then selects a foreman who takes charge of the proceedings as the judge does not sit in on the sessions unless called in for points of procedure.

The grand jury then selects its own clerk and sergeant at arms and committees if no case is pending at the moment. Committees for the 1958 grand jury have yet to be named.

## STUDENT EMPLOYING PLAN INAUGURATED

The counseling office at the Tahoe Truckee High School is announcing a new part-time work service for the benefit of local employers and students alike, C. W. Sciutto, principal, announced.

Anyone having a job open during after-school hours or on weekends, may call LU 7-3574 and have the position listed with either Mrs. Edward Meiss or James Brehler, student deans at the school. The job will be noted on a card and posted on a special bulletin board.

Students interested in the work may then contact the employer personally. Many high school students are looking for part-time work and it is hoped that this new service will be beneficial to them and to the communities within the district, Sciutto said.

Any employer wishing information concerning a particular applicant may call the school between 8:30 a.m. and 4 p.m.

## CONCEPTS ADOPTED FOR WASHOE WORK

The California-Nevada Interstate Compact Commission of California Friday adopted the basic concepts it believes must be included in water rights permit provisions in connection with the Washoe Reclamation Project in the Truckee River Basin.

These concepts are:  
(1) That California residents will be able to acquire appropriate rights in the future to a portion of the unappropriated waters of the Truckee River system.

(2) These rights would not result in an average annual depletion of the Truckee River flow at the Nevada-California state line of more than about one-fifth of the yield developed by 156,000 acre-feet of storage at the proposed Stampede reservoir on the Little Truckee.

(3) These California rights will be equal in priority to the rights requested for the Washoe Reclamation Project.

(4) The California State Water Rights Board would retain continuing jurisdiction to determine the extent of the depletion of the Truckee River flow.

(5) Require the operator of the Washoe Project, within the limits of its responsibility and authority and without harming the economic feasibility of the project, to cooperate with the California Department of Fish and Game and the U. S. Fish and Wildlife Service in the operation of the project toward the end of enhancing and preventing damage to existing fish.

## BOARD MEETINGS TRUCKEE PUBLIC

**Truckee Public Utility District**  
Meets second and last Thursday of each month at 2 p. m. in the district's office.

**Truckee Sanitary District**  
Meets 1st Tuesday at 7:30 p. m. at Justice Court Offices.

**Tahoe-Truckee Unified School District**  
Meets 2nd Tuesday each month at 8 p. m. at the high school.

**Tahoe Forest Hospital District**  
Meets 2nd Friday each month at 7 p. m. at the hospital.

**Truckee Fire District**  
Meets 1st Tuesday each month at 10 a. m. in R. N. Little's office.

**Truckee Cemetery District**  
Meets at call of Chairman W. M. Englehart.

## MANY LOCAL WINNERS IN JUNIOR SKI MEET

SUGAR BOWL—Two 15 year old juniors won the Sugar Bowl's Giant Slalom Sunday on powder snow in a driving wind.

Starr Walton of Sacramento and Gary McCoy of Mammoth turned in the fastest times of the day, Miss Walton with 1:24 and McCoy 1:21.3.

The 38-gate course had been set by Luigi Foeger, Sugar Bowl ski instructor down McTavish Peak.

Others on the winning lists included: Junior I boys: Kit Schull of Norden, first in his class and Bob Strickland of Soda Springs.

In Junior II boys: Walter Schopfer and Charlie White of Sugar Bowl and Trent Giannini, and Doug Ball of Squaw Valley.

Junior III boys: Chris Foeger of Sugar Bowl, winner; Ronny Reich, Teddy Lerch, Chris Mazzola, John MacSwain and Bob Gester, all of the Sugar Bowl and Wayne Poulson, Dan Connors and Parky Bechtolt of Squaw Valley.

Junior 1 girls: Mary Helen Reich of Sugar Bowl and Dee Tschopp of Squaw Valley.

Junior II girls: Starr Walton, Sugar Bowl; Smiley Tschopp and Judy Bacon, Squaw Valley.

Junior III girls: Claudia Crum, Sugar Bowl and Paty Lewis of Squaw Valley.

## SNOW EXPERTS MEET TO STUDY FINDINGS

A two-day meeting of cooperating agencies in the California snow survey program concluded Wednesday in Sacramento after a visit to the Central Sierra Snow Laboratory near Soda Springs.

According to C. A. McCullough, supervising hydrologic engineer with the state department of water resources who arranged the program, conferees representing some 40 organizations which each winter jointly survey the Sierra snow pack at 300 measuring stations.

McCullough said the survey program provides information making possible forecasts of spring and summer runoff from the mountains into rivers of California and Nevada. In addition records kept since the early 1900's have helped to identify cycles of water abundance and drought.

**Buy For Spring**—Mr. and Mrs. I. Firpo were in San Francisco last week buying merchandise for the men's and women's departments in Cabona's Store.

Mr. and Mrs. Charles Heller were weekend visitors at Oakland where they attended showings of spring merchandise for Heller's Variety Store.

and wildlife resources that depend on the waters of the Truckee River Basin.

The commission's three-man negotiating team will meet in Reno next Monday and Tuesday with the Nevada commission's negotiators to work out the final language of the water rights permit provisions. The final draft will be submitted to the Joint California-Nevada Interstate Compact Commission next Thursday in Reno.

## Work Is Stopped On Local Freeway

Construction activities on Highway 40 from Floriston to the California-Nevada state line have been suspended for the winter season, District Engineer Alan S. Hart announced last week. This section has been under construction since March 28 and subject to traffic delays.

Hart emphasized that although the highway through the construction zone has been prepared for winter use, it is not a finished highway and motorists should drive with caution through the section. The section has been signed at a 35 miles per hour zone.

Gibbons and Reed of Salt Lake City, the principal contractor for the project, plans to resume work at the earliest possible date in the spring, probably in April. At the time of the shut-down, the project was 67 percent complete and is scheduled for completion in September of this year.

"We wish to thank the motoring public for their fine cooperation in this area during the past construction season," Hart said. The work is being done on the existing alignment in the restrictive Truckee River canyon. The detouring of traffic in the area was not possible, and for the first time, the division of highways had to plan for long delays on a major transcontinental highway.

**More Work Ready**  
The next construction season will see the start of an additional 15½ miles of freeway in this area, Hart said. This will provide 21 miles of uninterrupted multi-lane roadway from near Donner Lake to the California-Nevada state line by the end of the 1959 construction season.

Fredrickson & Watson Construction Company and Ransome Co. of Oakland submitted the low bid of \$7,620,605.55 for the 8.8 mile section from Donner Lake to near Boca on December 18. The 6.7 mile section from Boca to the present construction will be built under a contract on which bids will be opened January 22.

Construction on both projects is scheduled to start on April 1, Hart stated. These two projects are generally on new alignment, and where they following the existing road a detour is being provided, and no serious delays to traffic flow is expected.

## MRS. KING TO HEAD NAOMI LODGE HERE

Mrs. Ben King was installed on January 8 as noble grand of Naomi Rebekah Lodge No. 2 at an impressive ceremony conducted by Hazel Browning, district deputy president and Gladys Clemon, deputy marshal of District 21 and a staff of members and officers from Grass Valley.

Mrs. Rex Reid, retiring noble grand of the local lodge, conducted a brief meeting preceding the ritual and precision drill.

Other officers installed included Mrs. R. H. Slack, vice grand; Mrs. Robert Bick, secretary; Mrs. Milton Avila, treasurer; Mrs. Wilber Glenn, financial secretary; Mrs. Wayne Philippi, conductress; Mrs. T. Franklin, warden; Mrs. Charles Vind, chaplain; Mrs. R. Gross, inside guardian; Mrs. Erwin Single, outside guardian; Mrs. Dan Horman, r.s.n.g.; Mrs. C. Allison, l.s.n.g.; Mrs. J. Davis, r.s.v.g.; Mrs. C. Miller, l.s.n.g.; and Mrs. Paul Capel, flag bearer.

Edward Wilford, district deputy grand master of the Grass Valley Lodge and 31 members from there and Nevada City, and Mrs. J. Melugin and Mrs. W. Snow of Donner Lake were also visitors.

Mesdames Gross, Single and Glenn were on the refreshment committee for the evening.

## FUN, FOOD, FROLIC FEATURE FESTIVITIES

Food and frolic described last Friday's meeting of the Donner Dancers. A delicious potluck supper was followed by plenty of square and round dancing.

Guests of the evening were Dick and Jean Walker and Mr. and Mrs. Hall. New members joining the club were Carl and Bea Whitefield. John Levr's new derby hat and Virginia Everett's new petticoat, reputed to measure 60 yards in circumference, drew much comment.

The young people's group meets tonight at eight. The adult beginners will meet tomorrow evening at eight. The regular dancing party will follow the latter class. All of this takes place in the Veterans building in Truckee.

Joe and Shirley Straub attended the Reno Inter-club Council March of Dimes dance last Saturday. Lloyd and Virginia Everett traveled to Roseville on Saturday for the Boots and Slippers fourth anniversary dance. Ruth Graham of Castro Valley was the guest caller and some thirty squares were present.

# Tarzan

by EDGAR RICE BURROUGHS

WHEN TARZAN STOPPED THE FRENCHMAN'S ADVANCES TOWARD A WAITRESS, THE BURLY CHARACTER SPAT OUT, "I TEACH YOU TO MIND YOUR OWN BUSINESS, M'SIEU!"

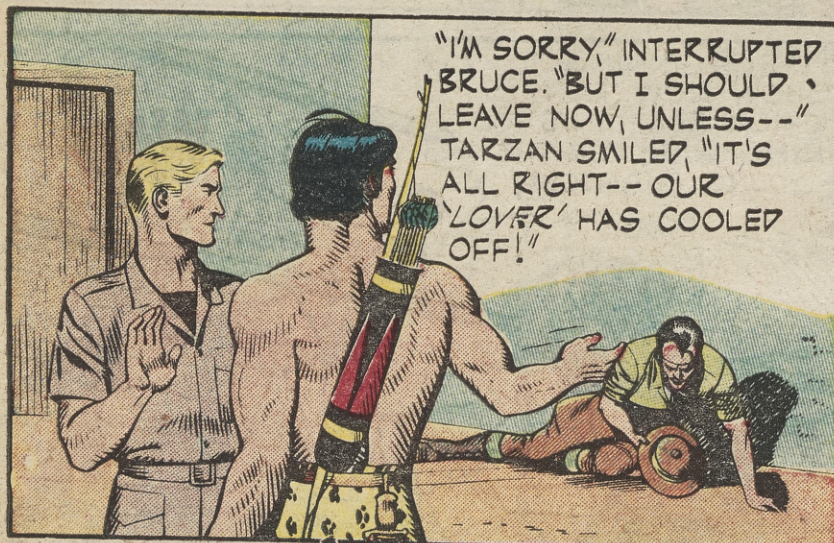

PIERRE, EMBITTERED BY THE APE-MAN'S INTERFERENCE, LUNGED FORWARD WITH HIS KNIFE--

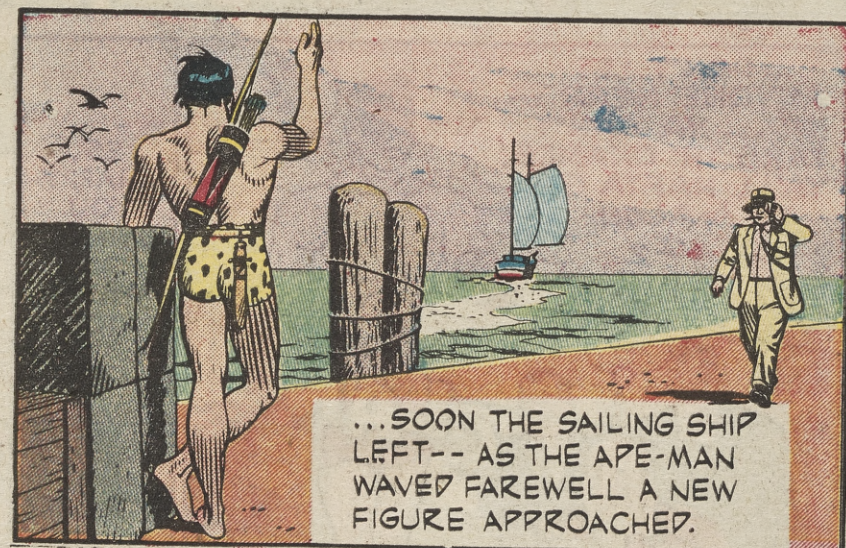

BUT TARZAN EASILY MOVED, INSIDE THE THRUST AND SENT THE FRENCHMAN TO THE FLOOR!

PICK VAN BUREN JOHN CEARPO

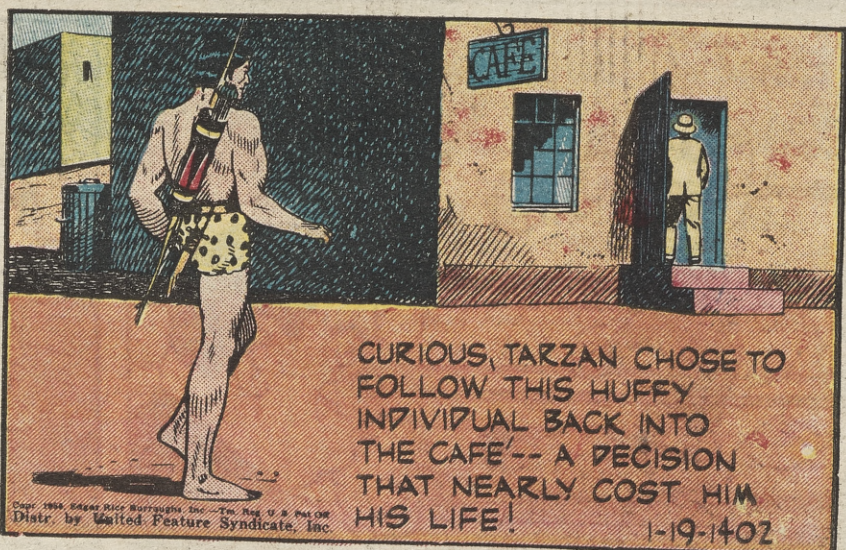

"I'M SORRY," INTERRUPTED BRUCE. "BUT I SHOULD LEAVE NOW, UNLESS--" TARZAN SMILED, "IT'S ALL RIGHT-- OUR 'LOVER' HAS COOLED OFF!"

...SOON THE SAILING SHIP LEFT-- AS THE APE-MAN WAVED FAREWELL A NEW FIGURE APPROACHED.

"WHERE IS HE, WHERE IS HE?" THE STRANGER BLUSTERED. "BAH! NEVER MIND--"

CURIOUS, TARZAN CHOSE TO FOLLOW THIS HUFFY INDIVIDUAL BACK INTO THE CAFE-- A DECISION THAT NEARLY COST HIM HIS LIFE! 1-19-40Z

CONSIDERIN' THE FACT THAT YOU NOT ONLY TUNKS ALL YOUR COURSES HERE AT CRABTREE CORNERS HIGH, BUT THAT (CHOKES) YOU NEVER GOT OUT O' THE FIRST GRADE, THE SLOBS THAT RUN THIS SCHOOL HAS DECLARED YOU INELIGIBLE T' PLAY BASKETBALL!

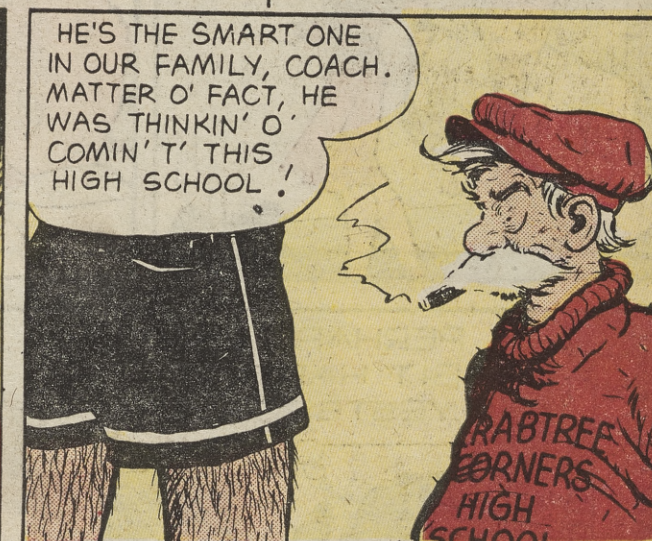

NO HARD FEELIN'S, "LEGS," IF YOU EVER GETS OUT O' FIRST GRADE LOOK ME UP AN'--

YES, SIR. IF I EVER DO I'LL SEND WORD BY MY BROTHER--

DID YOU SAY--BROTHER? YOU MEAN (GASP) YOU GOT A BROTHER--?

HE'S THE SMART ONE IN OUR FAMILY, COACH. MATTER O' FACT, HE WAS THINKE' O' COMIN' T' THIS HIGH SCHOOL!

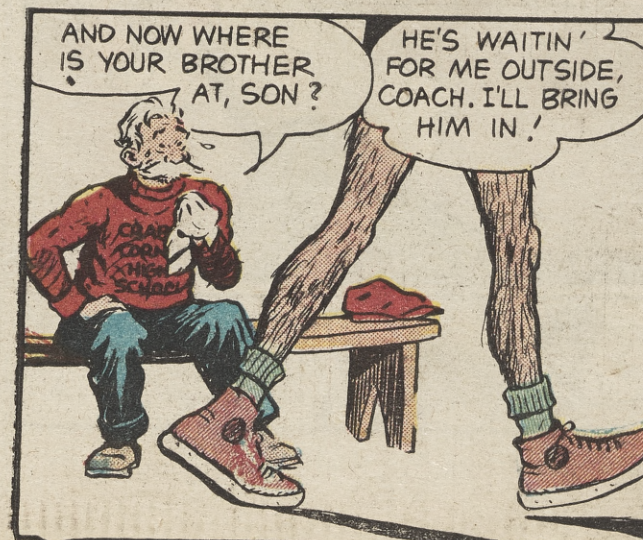

ANSWER ONE QUESTION, SON--IS YOUR BROTHER ANY-THING LIKE YOU?

MAW SAYS WE'RE EXACTLY ALIKE IN MOST IMPORTANT WAYS--

YOU (SOB!) SAVED A DELICATE OLD MAN FROM GAGGIN' ON A BROILED BASKETBALL WHICH I PROMISES T' EAT IF CRABTREE CORNERS HIGH DON'T GO THROUGH THE REMAINDER O' THE SEASON UNDEFEATED!

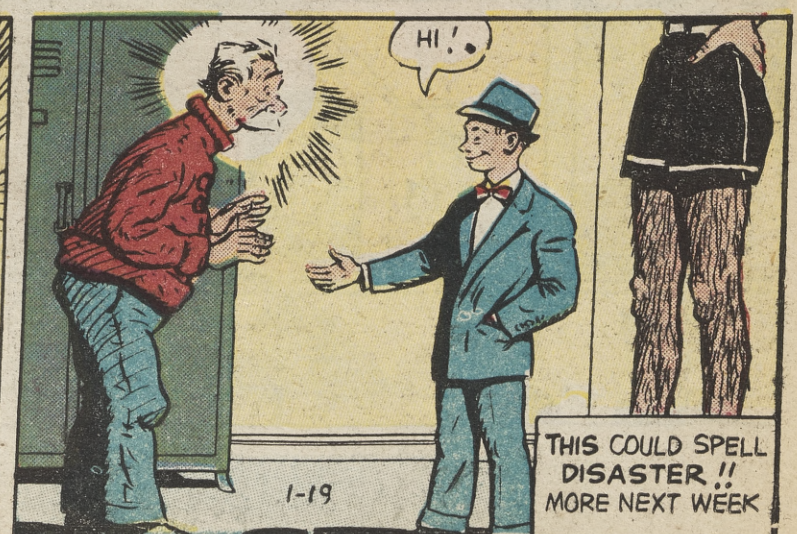

AND NOW WHERE IS YOUR BROTHER AT, SON?

HE'S WAITIN' FOR ME OUTSIDE, COACH. I'LL BRING HIM IN!

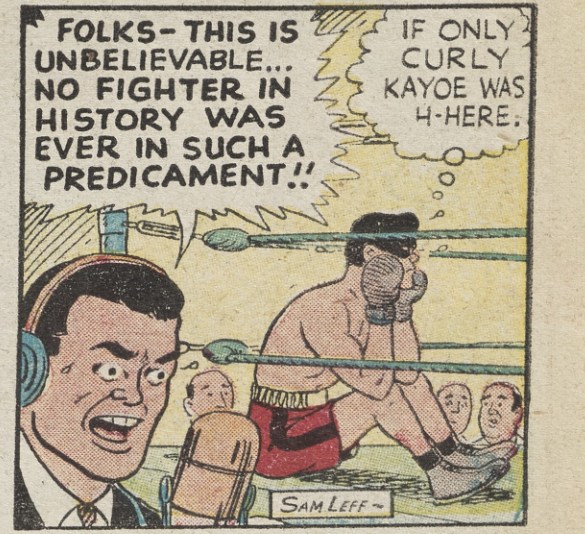

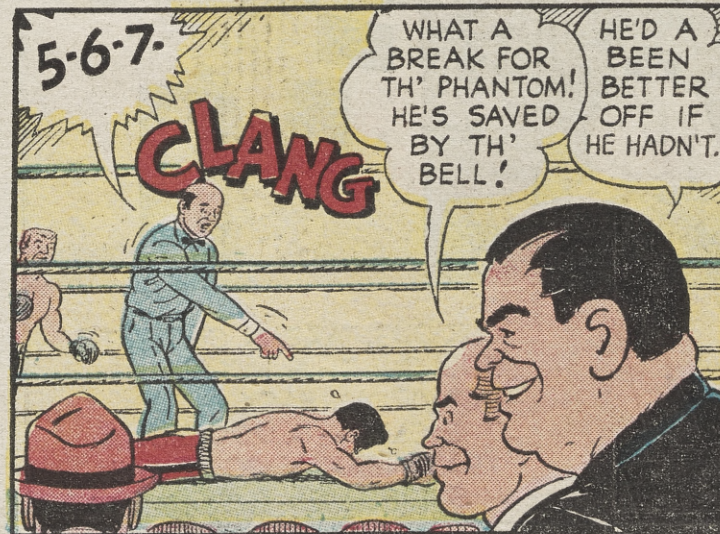

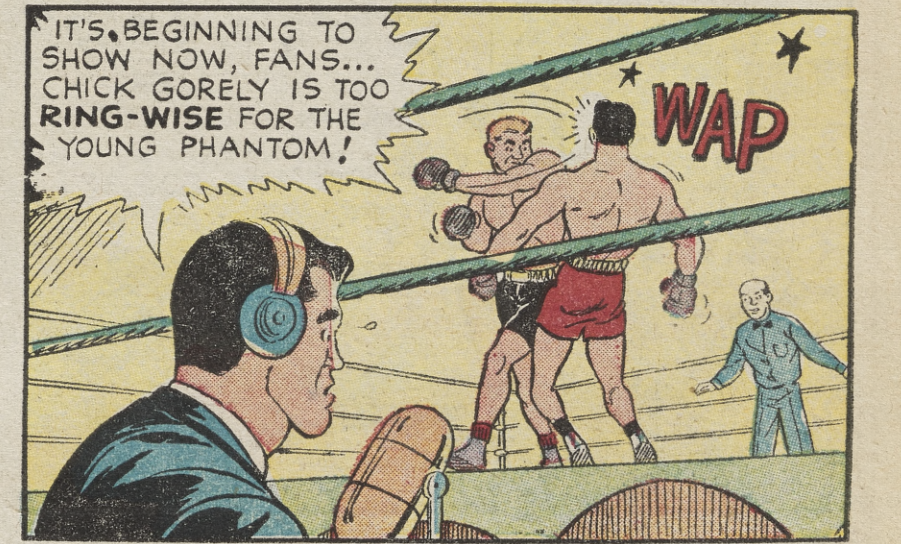

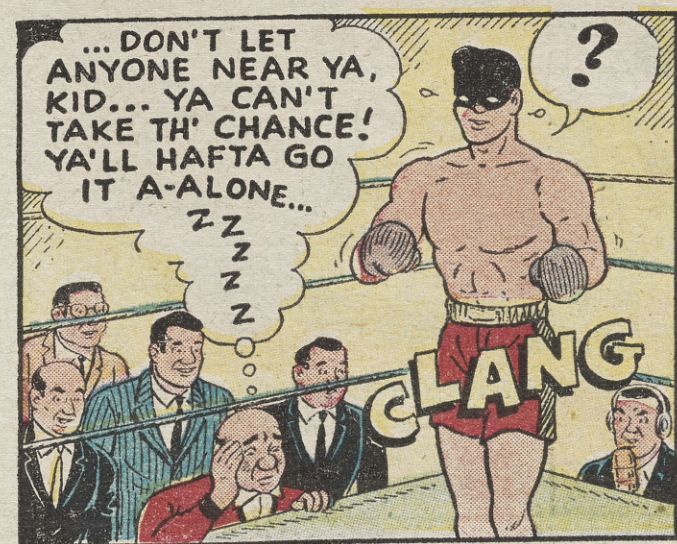

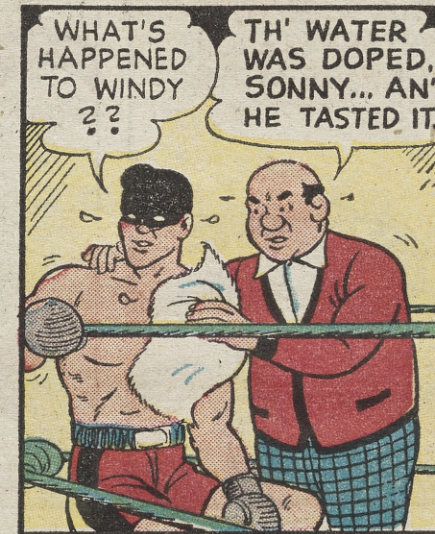

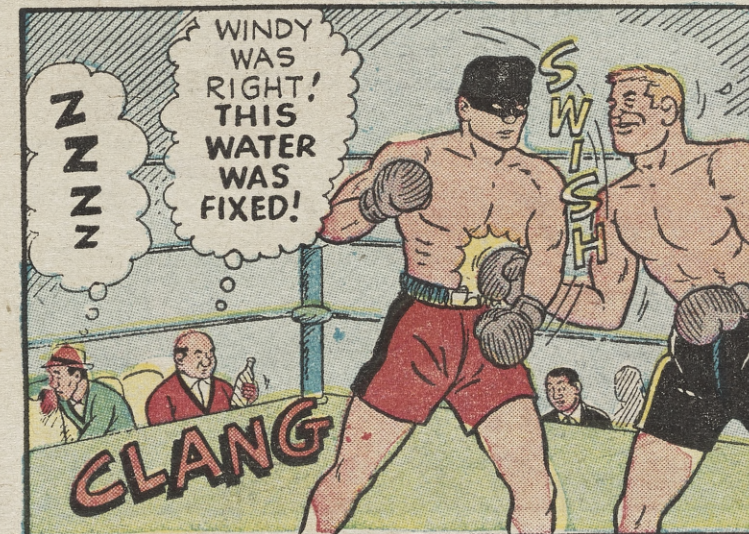

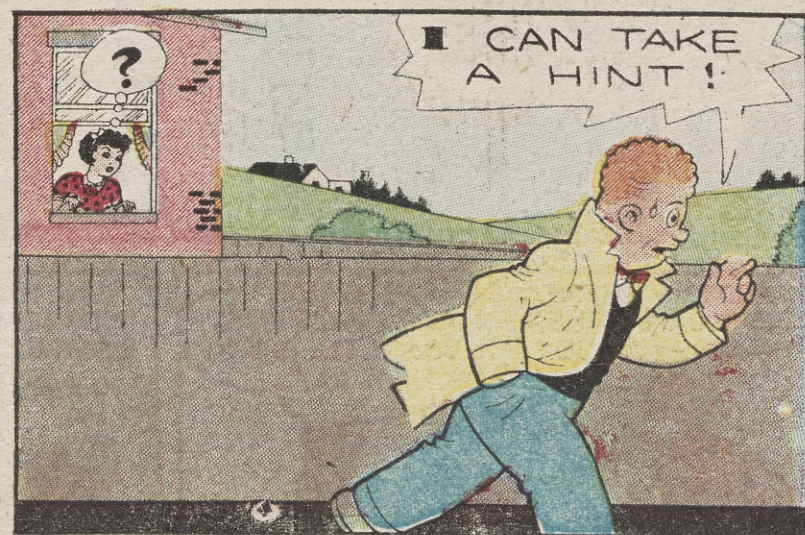

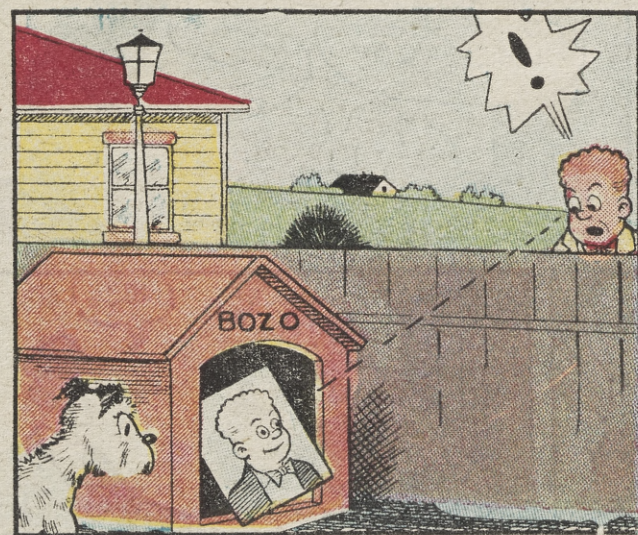

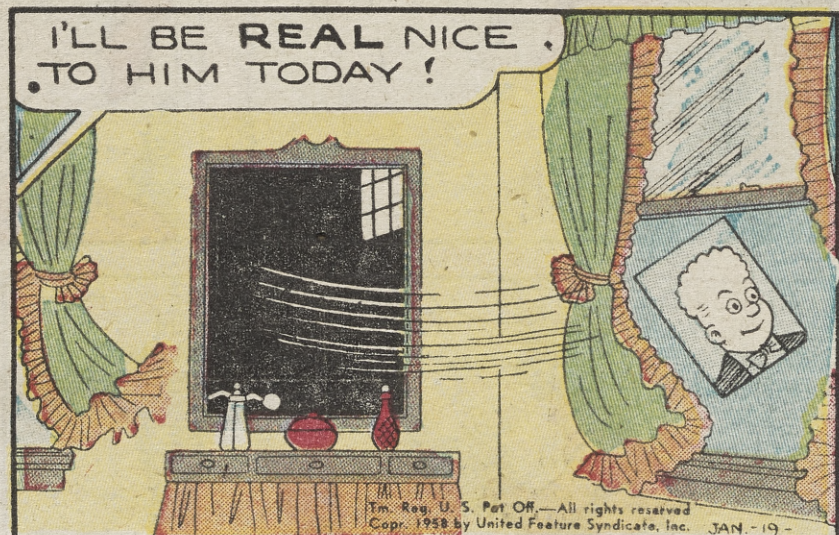

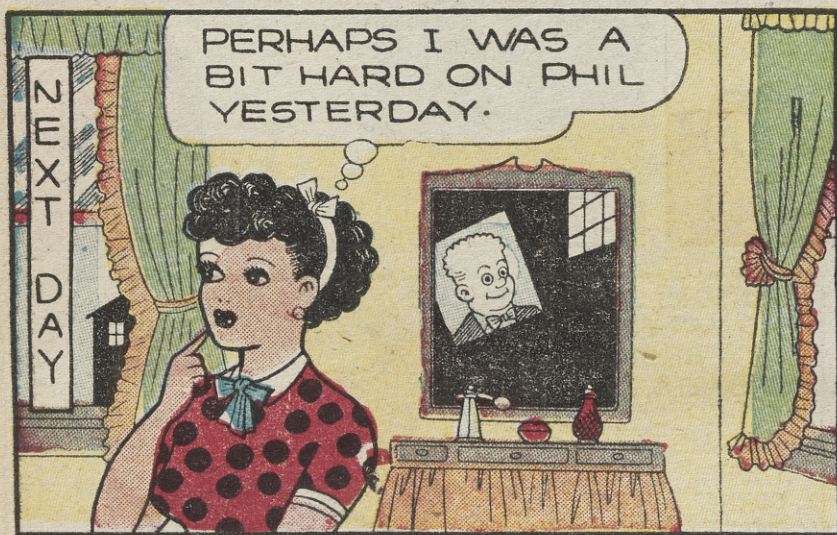

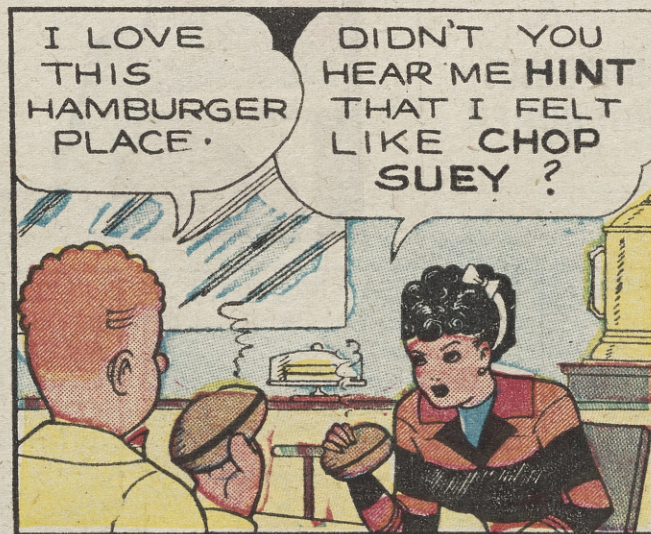

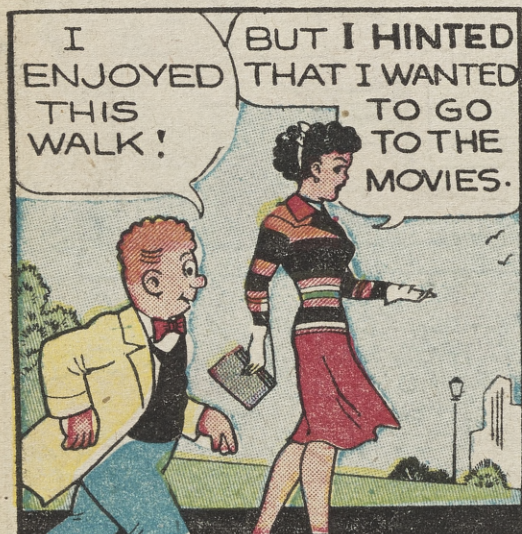

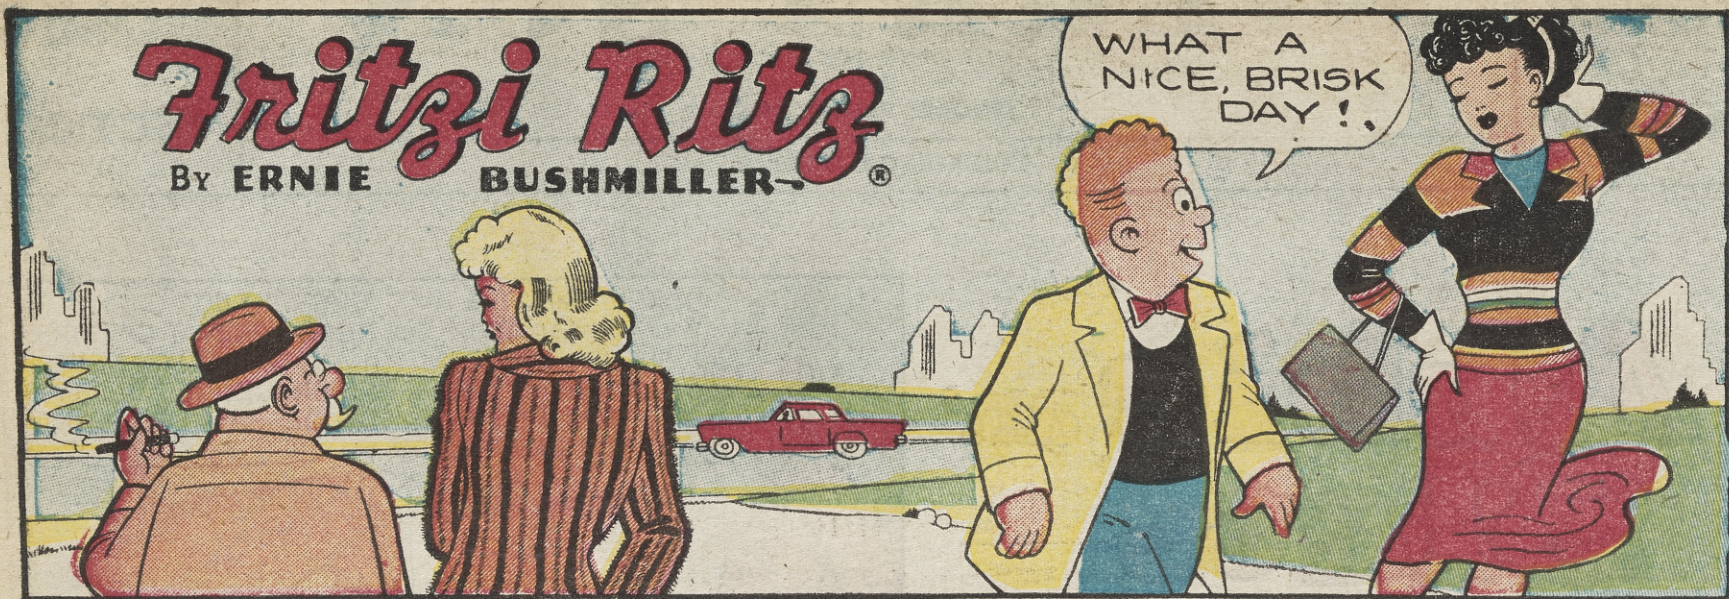

THIS IS YOUR (GASP) BROTHER?

THIS COULD SPELL DISASTER !! MORE NEXT WEEK
